Dear Secretary Sebelius:

In compliance with the special terms and conditions (STCs) as set forth by the Centers for Medicare and Medicaid Service (CMS), the State of Utah is requesting a three year extension of its 1115 Demonstration Waiver, entitled the Primary Care Network (PCN). This application for a waiver extension is submitted as directed by Section 1115(f) of the Social Security Act. The extension, if approved, will permit Utah to continue operating its 1115 Demonstration Waiver from July 1, 2013 through June 30, 2016. At this time, the State is not requesting any modifications or amendments to the waiver.

Thank you for considering our waiver extension request. We look forward to your response.

Respectfully,

Gary R. Herbert
Governor
