RE: Calendar Year (CY) 2013 Oct - Dec Phaseddown State Contribution Final Per-Capita Rates

June 28, 2013

Dear State Medicaid Director:

As you know, the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) requires that the Centers for Medicare & Medicaid Services (CMS) notify each State of its per capita drug payment expenditure amount. Payments for the phased-down State contribution are made on a monthly basis. These payments are defined by the MMA to be the product of the annual per capita full dual-eligible drug payment amount and the monthly State enrollment of full dual eligibles.

This letter is to notify you of the phased-down State contribution full dual-eligible per capita Medicaid drug payment amount for October - December 2013, as required by the MMA.

Oct-Dec 2013 phased-down State contribution per capita rates are shown in Attachment 1. The per capita drug expenditure amount for Oct-Dec 2013 is based on the value for Jan-Sep 2013, adjusted for the change in FMAP, if any, between FY 2013 and FY 2014.

Questions regarding these calculations may be directed to Carolyn Lawson, Division of Information Analysis and Technical Assistance, Data & Systems Group, at 410-786-0704 or via email at <a href="mailto:Carolyn.Lawson@cms.hhs.gov">Carolyn.Lawson@cms.hhs.gov</a>.

Sincerely,

/s/

Elaine Olin Director, Data & Systems Group
