RE: South Dakota #13-0015-MM

Dear Ms. Malsam-Rysdon:

Enclosed is an approved copy of South Dakota's state plan amendment (SPA) 13-0015-MM, which was submitted to CMS on August 28, 2013. SPA 13-0015-MM incorporates the MAGI-based mandatory and optional eligibility groups' requirements into South Dakota's Medicaid state plan in accordance with the Affordable Care Act. The effective date of this SPA is January 1, 2014.

In a separate email which will be sent out tomorrow, we will send a copy of the following state plan pages and attachments to be incorporated within a separate section at the end of South Dakota's approved state plan:

- S14, S25, S28, S30, S32, S33, S50, S51, S52, S53, S54, S55, S57, S59

In addition we will send a summary of the state plan pages which are superseded by SPA 13-0015-MM, which should also be incorporated into a separate section in the front of the state plan.

- Superseding pages of state plan material, SPA 13-0015-MM

CMS appreciates the significant amount of work your staff dedicated to preparing this state plan amendment. If you have any questions concerning this SPA, please contact Laurie Jensen of my staff at (303) 844-7126 or by email at Laurie.Jensen@cms.hhs.gov.

Sincerely,

/s/

Eligibility Groups - Mandatory Coverage Parents and Other Caretaker Relatives

S25

42 CFR 435.110
1902(a)(10)(A)(i)(I)
1931(b) and (d)

- Parents and Other Caretaker Relatives** - Parents and other caretaker relatives of dependent children with household income at or below a standard established by the state.

The state attests that it operates this eligibility group in accordance with the following provisions:

- Individuals qualifying under this eligibility group must meet the following criteria:

- Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.

The state elects the following options:

- This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.

Options relating to the definition of caretaker relative (select any that apply):

Options relating to the definition of dependent child (select the one that applies):

- The state elects to eliminate the requirement that a dependent child must be deprived of parental support or care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of at least one parent.

- The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):

- Have household income at or below the standard established by the state.

- MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

- Income standard used for this group

- Minimum income standard

The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 1988, converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standards.

- The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard.

Additional new age groups or reasonable classifications covered

If the state has not elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does not cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.
