If you are claimed as a dependent* on someone else's federal tax return, also include:

- The person(s) who claims you
- All members of that federal tax filing household claimed as dependents
- Any family member living with you
- Note: If someone in your household has passed away this year, you should still include them on your application. This will help us better determine what benefits you may qualify for.

- 1. I know I or another applicant may be automatically provided enrollment into Health First Colorado (Colorado's Medicaid Program) or Child Health Plan Plus (CHP+) if we are eligible. I can visit the Health First Colorado website at Colorado.gov/ PEAK for more information. I will immediately notify the State of any medical claim or lawsuit I have. I will cooperate with the State in collecting the medical bills the State has paid. The State may collect from any insurance company or court settlement for medical bills that the State has paid. If I am on Health First Colorado and receive money for the same medical bills that the State has paid, I will give the money to the State. I assign to the State all rights to payment for medical expenses and treatments. I also assign my right to appeal 1 a denial of benefits by another party responsible for payment for benefits to the State. If there is an absent parent(s) from my home, and I am applying for Health First Colorado, I must seek medical support from the absent parent(s). I may contact Child Support Enforcement for assistance.
- 2. Federal and Colorado state law require the Department of Health Care Policy and Financing to recover all medical assistance benefits, including capitation payments, paid on behalf of Health First Colorado clients from the estates of deceased Health First Colorado clients who were permanently institutionalized. For Health First Colorado clients who were over the age of 55 when benefits were provided, the Department recovers payments for nursing facility services, home and community-based services, and related hospital and prescription drug services. There are certain exemptions to estate recovery. For further information, please contact your county and request the "Medical Assistance Estate Recovery Program" brochure.
- 3. If I am eligible for Advance Premium Tax Credit ("APTC"), these payments will be made directly to my selected insurance carrier(s). Acceptance of APTC may impact my annual tax liability. I will be given the option to apply all, some or none of the APTC amount I may be eligible for to my monthly premium.
- 4. If I am receiving financial assistance, I know that I must tell the organization providing the assistance if information I listed on this application changes. I am aware I have 10 calendar days to report any changes if I am enrolled in Health First Colorado

- or Child Health Plan Plus (CHP+). Changes are to be reported to my local county office for Health First Colorado or to CHP+. I am responsible for paying fees, premiums and co-payments for myself and my family if they are required for Medical Assistance benefits. I know I have 30 calendar days to report any change to Connect for Health Colorado if I am receiving Advance Premium Tax Credits, Reduced Co-Pays or Deductibles, or I am enrolled in a Qualified Health Plan. If my family is enrolled in multiple insurance affordability programs 1 I must report changes to each organization in the appropriate time frame. I understand that a change in information could affect my eligibility and eligibility for member(s) of my household.
- 5. I understand that my answers, together with any supplements or additional pages, are the basis for the health insurance policy that is issued. I agree that no insurance of financial assistance program will be effective until the date specified by the insurance company or organization providing the certificate, policy, or notice. I understand that I may request a copy of the Application. I agree that a photographic copy of this application shall be as valid as the original. A legible copy signature shall have the same force and effectiveness as the original. This document, or the information contained herein, will become a part of the contract when coverage is approved and issued.
- 6. To make it easier to determine my eligibility for help paying for health coverage in future years, if I am enrolled in a Qualified Health Plan, I agree to allow Connect for Health Colorado to use income data, including information from tax returns for the next coverage year. Connect for Health Colorado will send me a notice, let me make changes, and I can opt out at any time. I can visit the Connect for Health Colorado website at ConnectforHealthCO.com for more information.
- 7. I understand that if I am eligible for the Advance Premium Tax Credit (APTC) and/or Reduced Co-pays and Deductibles these payments will be made directly to my selected insurance carrier(s). Acceptance of APTC and/or Reduced Co-pays and Deductibles may impact my coverage year(s) tax liability. I will be given the option to apply all, some, or none of any APTC amount I may be eligible for to my monthly premium.

can appeal the decision. To appeal means to tell someone at Health First Colorado/CHP+ or Connect for Health Colorado that I think the action is wrong and ask for a fair review of the action. I know that I can find out how to appeal by contacting Health First Colorado at 1-800-221-3943, or I can contact the Marketplace at 1-855-PLANS-4-YOU or by visiting their website at ConnectforHealthCO.com. I know that I can be represented in the process by someone other than myself. My eligibility and other important information will be explained to me.

Additional Information

Domestic violence information and services are available to me. If I ever feel I am in immediate danger I will call 911. If I would like to receive information regarding safety and services in Colorado, I will call the Colorado Coalition Against Domestic Violence at 303-831-9632 or toll free at 1-888-778-7091. I may also find the location of services near me by going to http://www.colorado.gov/cdhs/dvp. The National Domestic Violence Hotline at 1-800-799-SAFE (7233) or TTY 1-800-787-3224 or http://www.thehotline.org/ can also provide information. If I am a survivor of domestic violence, sexual assault, or stalking, the Address Confidentiality Program (ACP) can provide me with a legal substitute address to use instead of my real address for use with state and local government agencies. I can find out more about ACP at acp.colorado.gov. If I need or receive either of these services I will tell my department worker.

Worksheet E

Complete this Worksheet if you or a household member are an American Indian or Alaska Native (AI/AN). Submit this with your application. If you qualify for a tax credit or other help with costs, the Marketplace will request proof of your status. American Indians and Alaska Natives can get services from the Indian Health Services, Tribal Health Programs, or Urban Indian Health Programs or through a referral from one of these programs. They also may not have to pay cost sharing and may get special monthly enrollment periods. Answer the following questions to make sure your family gets the most help possible.

Certain money you receive may not count as income for determining if you qualify for Health First Colorado or CHP+. List any income (type, amount, and how often) reported on your application that includes money from these sources:

- Per capita payments from a Tribe that come from natural resources, usage rights, leases or royalties.
- Payments from natural resources, farming, ranching, fishing, leases, or royalties from land designated as Indian trust land by the Department of Interior (including reservations and former reservations).
- · Money from selling things that have cultural significance.
