FEB 28 2019

Dear Ms. Steele:

I am pleased to inform you that your title XXI Children's Health Insurance Program (CHIP) state plan amendment (SPA), LA-19-0013, has been approved. LA-19-0013 demonstrates compliance with the CHIP managed care regulations at 42 CFR 457, Subpart L for use of a managed care delivery system. This SPA has an effective date of July 1, 2018.

Sections 2101(a), 2103(f)(3), 2107(b), and 2107(e) of the Social Security Act, as implemented through regulations at 42 CFR 457 Subpart L, describe the application of managed care requirements to CHIP. Louisiana has provided the necessary assurances indicating that the state complies with the managed care requirements in the delivery of CHIP services and benefits covered under the state's separate child health plan as of the effective date of the SPA, except that the state came into compliance with beneficiary protections for service costs described in section 3.8.2 of the state plan (42 CFR 457.1201(p)) on January 1, 2019.

This SPA approval does not substitute for CMS review of any contracts between the state and managed care entities that serve the state's CHIP populations. All managed care contracts for CHIP populations in effect as of the state fiscal year beginning on July 1, 2018 must comply with the CHIP managed care regulations and be submitted for CMS review.

**Section 1. General Description and Purpose of the Children’s Health Insurance Plans and the Requirements**

**1.1.** The state will use funds provided under Title XXI primarily for (Check appropriate box) (Section 2101)(a)(1)); (42 CFR 457.70):

Guidance: Check below if child health assistance shall be provided primarily through the development of a separate program that meets the requirements of Section 2101, which details coverage requirements and the other applicable requirements of Title XXI.

**1.1.1.**  Obtaining coverage that meets the requirements for a separate child health program (Sections 2101(a)(1) and 2103); OR

Guidance: Check below if child health assistance shall be provided primarily through providing expanded eligibility under the State’s Medicaid program (Title XIX). Note that if this is selected the State must also submit a corresponding Medicaid SPA to CMS for review and approval.

**1.1.2.**  Providing expanded benefits under the State’s Medicaid plan (Title XIX) (Section 2101(a)(2)); OR

Guidance: Check below if child health assistance shall be provided through a combination of both 1.1.1. and 1.1.2. (Coverage that meets the requirements of Title XXI, in conjunction with an expansion in the State’s Medicaid program). Note that if this is selected the state must also submit a corresponding Medicaid state plan amendment to CMS for review and approval.

**1.1.3.**  A combination of both of the above. (Section 2101(a)(2))

**1.1-DS**  The State will provide dental-only supplemental coverage. Only States operating a separate CHIP program are eligible for this option. States choosing this option must also complete sections 4.1-DS, 4.2-DS, 6.2-DS, 8.2-DS, and 9.10 of this SPA template. (Section 2110(b)(5))

**1.2.**  Check to provide an assurance that expenditures for child health assistance will not be claimed prior to the time that the State has legislative authority to operate the State plan or plan amendment as approved by CMS. (42 CFR 457.40(d))

**1.3.**  Check to provide an assurance that the State complies with all applicable civil rights requirements, including title VI of the Civil Rights Act of 1964, title II of the Americans with Disabilities Act of 1990, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, 45 CFR part 80, part 84, and part 91, and 28 CFR part 35. (42 CFR 457.130)

Guidance: The effective date as specified below is defined as the date on which the State begins to incur costs to implement its State plan or amendment. (42 CFR 457.65) The implementation date is

defined as the date the State begins to provide services; or, the date on which the State puts into practice the new policy described in the State plan or amendment. For example, in a State that has increased eligibility, this is the date on which the State begins to provide coverage to enrollees (and not the date the State begins outreach or accepting applications).

- 1.4. Provide the effective (date costs begin to be incurred) and implementation (date services begin to be provided) dates for this SPA (42 CFR 457.65). A SPA may only have one effective date, but provisions within the SPA may have different implementation dates that must be after the effective date.

**Section 3. Methods of Delivery and Utilization Controls**

- Check here if the State elects to use funds provided under Title XXI only to provide expanded eligibility under the State’s Medicaid plan, and continue on to Section 4 (Eligibility Standards and Methodology).

Guidance: In Section 3.1, describe all delivery methods the State will use to provide services to enrollees, including: (1) contracts with managed care organizations (MCO), prepaid inpatient health plans (PIHP), prepaid ambulatory health plans (PAHP), primary care case management entities (PCCM entities), and primary care case managers (PCCM); (2) contracts with indemnity health insurance plans; (3) fee-for-service (FFS) paid by the State to health care providers; and (4) any other arrangements for health care delivery. The State should describe any variations based upon geography and by population (including the conception to birth population). States must submit the managed care contract(s) to CMS’ Regional Office for review.

**3.1. Delivery Systems (Section 2102(a)(4)) (42 CFR 457.490; Part 457, Subpart L)**

**3.1.1 Choice of Delivery System**

**3.1.1.1** Does the State use a managed care delivery system for its CHIP populations? Managed care entities include MCOs, PIHPs, PAHPs, PCCM entities and PCCMs as defined in 42 CFR 457.10. Please check the box and answer the questions below that apply to your State.

- No, the State does not use a managed care delivery system for any CHIP populations.
- Yes, the State uses a managed care delivery system for all CHIP populations.
- Yes, the State uses a managed care delivery system; however, only some of the CHIP population is included in the managed care delivery system and some of the CHIP population is included in a fee-for-service system.

If the State uses a managed care delivery system for only some of its CHIP populations and a fee-for-service system for some of its CHIP populations, please describe which populations are, and which are not, included in the State’s managed care delivery system for CHIP. States will be asked to specify which managed care entities are used by the State in its managed care delivery system below in Section 3.1.2.

Guidance: Utilization control systems are those administrative mechanisms that are designed to ensure that enrollees receiving health care services under the

State plan receive only appropriate and medically necessary health care consistent with the benefit package.

Examples of utilization control systems include, but are not limited to: requirements for referrals to specialty care; requirements that clinicians use clinical practice guidelines; or demand management systems (e.g., use of an 800 number for after-hours and urgent care). In addition, the State should describe its plans for review, coordination, and implementation of utilization controls, addressing both procedures and State developed standards for review, in order to assure that necessary care is delivered in a cost-effective and efficient manner. (42 CFR 457.490(b))

If the State does not use a managed care delivery system for any or some of its CHIP populations, describe the methods of delivery of the child health assistance using Title XXI funds to targeted low-income children. Include a description of:

- The methods for assuring delivery of the insurance products and delivery of health care services covered by such products to the enrollees, including any variations. (Section 2102(a)(4); 42 CFR 457.490(a))
- The utilization control systems designed to ensure that enrollees receiving health care services under the State plan receive only appropriate and medically necessary health care consistent with the benefit package described in the approved State plan. (Section 2102(a)(4); 42 CFR 457.490(b))

Guidance: Only States that use a managed care delivery system for all or some CHIP populations need to answer the remaining questions under Section 3 (starting with 3.1.1.2). If the State uses a managed care delivery system for only some of its CHIP population, the State’s responses to the following questions will only apply to those populations.

**3.1.1.2** Do any of your CHIP populations that receive services through a managed care delivery system receive any services outside of a managed care delivery system?

- No  
 Yes

If yes, please describe which services are carved out of your managed care delivery system and how the State provides these services to an enrollee, such as through fee-for-service. Examples of carved out services may include transportation and dental, among others. [CHIP populations that are members of the Chisholm Class receive behavioral health services through a managed care delivery system; however, Chisholm Class members may opt out of managed care for physical health services.](#)

[The State would then provide those physical health services through fee-for-service.](#)

**3.1.2 Use of a Managed Care Delivery System for All or Some of the State's CHIP Populations**

**3.1.2.1** Check each of the types of entities below that the State will contract with under its managed care delivery system, and select and/or explain the method(s) of payment that the State will use:

- Managed care organization (MCO) (42 CFR 457.10)
  - Capitation payment  
Describe population served: [All, with the exception of those in a Prepaid Inpatient Health Plan \(PIHP\)](#)
- Prepaid inpatient health plan (PIHP) (42 CFR 457.10)
  - Capitation payment
  - Other (please explain)  
Describe population served: [Children at risk of out of home placement who are in the Coordinated System of Care \(CSoC\).](#)

Guidance: If the State uses prepaid ambulatory health plan(s) (PAHP) to exclusively provide non-emergency medical transportation (a NEMT PAHP), the State should not check the following box for that plan. Instead, complete section 3.1.3 for the NEMT PAHP.

- Prepaid ambulatory health plan (PAHP) (42 CFR 457.10)
  - Capitation payment
  - Other (please explain)  
Describe population served:
- Primary care case manager (PCCM) (individual practitioners) (42 CFR 457.10)
  - Case management fee
  - Other (please explain)
- Primary care case management entity (PCCM Entity) (42 CFR 457.10)
  - Case management fee
  - Shared savings, incentive payments, and/or other financial rewards for improved quality outcomes (see 42 CFR 457.1240(f))
  - Other (please explain)

If PCCM entity is selected, please indicate which of the following function(s) the entity will provide (as described in 42 CFR 457.10), in addition to PCCM services:

- Provision of intensive telephonic case management
- Provision of face-to-face case management
- Operation of a nurse triage advice line
- Development of enrollee care plans
- Execution of contracts with fee-for-service (FFS) providers in the FFS program
- Oversight responsibilities for the activities of FFS providers in the FFS program
- Provision of payments to FFS providers on behalf of the State
- Provision of enrollee outreach and education activities
- Operation of a customer service call center
- Review of provider claims, utilization and/or practice patterns to conduct provider profiling and/or practice improvement
- Implementation of quality improvement activities including administering enrollee satisfaction surveys or collecting data necessary for performance measurement of providers
- Coordination with behavioral health systems/providers
- Other (please describe)

- 3.1.2.2  The State assures that if its contract with an MCO, PAHP, or PIHP allows the entity to use a physician incentive plan, the contract stipulates that the entity must comply with the requirements set forth in 42 CFR 422.208 and 422.210. (42 CFR 457.1201(h), cross-referencing to 42 CFR 438.3(i))

### 3.1.3 Nonemergency Medical Transportation PAHPs

Guidance: Only complete Section 3.1.3 if the State uses a PAHP to exclusively provide non-emergency medical transportation (a NEMT PAHP). If a NEMT PAHP is the only managed care entity for CHIP in the State, please continue to Section 4 after checking the assurance below. If the State uses a PAHP that does not exclusively provide NEMT and/or uses other managed care entities beyond a NEMT PAHP, the State will need to complete the remaining sections within Section 3.

- The State assures that it complies with all requirements applicable to NEMT PAHPs, and through its contracts with such entities, requires NEMT PAHPs to comply with all applicable requirements, including the following (from 42 CFR 457.1206(b)):
- All contract provisions in 42 CFR 457.1201 except those set forth in 42 CFR 457.1201(h) (related to physician incentive plans) and 42 CFR 457.1201(l) (related to mental health parity).
  - The information requirements in 42 CFR 457.1207 (see Section 3.5 below for

more details).

- The provision against provider discrimination in 42 CFR 457.1208.
- The State responsibility provisions in 42 CFR 457.1212 (about disenrollment), 42 CFR 457.1214 (about conflict of interest safeguards), and 42 CFR 438.62(a), as cross-referenced in 42 CFR 457.1216 (about continued services to enrollees).
- The provisions on enrollee rights and protections in 42 CFR 457.1220, 457.1222, 457.1224, and 457.1226.
- The PAHP standards in 42 CFR 438.206(b)(1), as cross-referenced by 42 CFR 457.1230(a) (about availability of services), 42 CFR 457.1230(d) (about coverage and authorization of services), and 42 CFR 457.1233(a), (b) and (d) (about structure and operation standards).
- An enrollee's right to a State review under subpart K of 42 CFR 457.
- Prohibitions against affiliations with individuals debarred or excluded by Federal agencies in 42 CFR 438.610, as cross referenced by 42 CFR 457.1285.
- Requirements relating to contracts involving Indians, Indian Health Care Providers, and Indian managed care entities in 42 CFR 457.1209.

### 3.2. General Managed Care Contract Provisions

- 3.2.1  The State assures that it provides for free and open competition, to the maximum extent practical, in the bidding of all procurement contracts for coverage or other services, including external quality review organizations, in accordance with the procurement requirements of 45 CFR part 75, as applicable. (42 CFR 457.940(b); 42 CFR 457.1250(a), cross referencing to 42 CFR 438.356(e))
- 3.2.2  The State assures that it will include provisions in all managed care contracts that define a sound and complete procurement contract, as required by 45 CFR part 75, as applicable. (42 CFR 457.940(c))
- 3.2.3  The State assures that each MCO, PIHP, PAHP, PCCM, and PCCM entity complies with any applicable Federal and State laws that pertain to enrollee rights, and ensures that its employees and contract providers observe and protect those rights (42 CFR 457.1220, cross-referencing to 42 CFR 438.100). These Federal and State laws include: Title VI of the Civil Rights Act of 1964 (45 CFR part 80), Age Discrimination Act of 1975 (45 CFR part 91), Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, Titles II and III of the Americans with Disabilities Act, and section 1557 of the Patient Protection and Affordable Care Act.
- 3.2.4  The State assures that it operates a Web site that provides the MCO, PIHP, PAHP, and PCCM entity contracts. (42 CFR 457.1207, cross-referencing to 42 CFR 438.10(c)(3))

### 3.3 Rate Development Standards and Medical Loss Ratio

- 3.3.1** The State assures that its payment rates are:
- Based on public or private payment rates for comparable services for comparable populations; and
  - Consistent with actuarially sound principles as defined in 42 CFR 457.10. (42 CFR 457.1203(a))

Guidance: States that checked both boxes under 3.3.1 above do not need to make the next assurance. If the state is unable to check both boxes under 3.1.1 above, the state must check the next assurance.

- If the State is unable to meet the requirements under 42 CFR 457.1203(a), the State attests that it must establish higher rates because such rates are necessary to ensure sufficient provider participation or provider access or to enroll providers who demonstrate exceptional efficiency or quality in the provision of services. (42 CFR 457.1203(b))

- 3.3.2**  The State assures that its rates are designed to reasonably achieve a medical loss ratio standard equal to at least 85 percent for the rate year and provide for reasonable administrative costs. (42 CFR 457.1203(c))

- 3.3.3**  The State assures that it will provide to CMS, if requested by CMS, a description of the manner in which rates were developed in accordance with the requirements of 42 CFR 457.1203(a) through (c). (42 CFR 457.1203(d))

- 3.3.4**  The State assures that it annually submits to CMS a summary description of the reports pertaining to the medical loss ratio received from the MCOs, PIHPs, and PAHPs. (42 CFR 457.1203(e), cross referencing to 42 CFR 438.74(a))

- 3.3.5** Does the State require an MCO, PIHP, or PAHP to pay remittances through the contract for not meeting the minimum MLR required by the State? (42 CFR 457.1203(e), cross referencing to 42 CFR 438.74(b)(1))
- No, the State does not require any MCO, PIHP, or PAHP to pay remittances.
  - Yes, the State requires all MCOs, PIHPs, and PAHPs to pay remittances.
  - Yes, the State requires some, but not all, MCOs, PIHPs, and PAHPs to pay remittances.

If the State requests some, but not all, MCOs, PIHPs, and PAHPs to pay remittances through the contract for not meeting the minimum MLR required by the State, please describe which types of managed care entities are and are not required to pay remittances. For example, if a state requires a medical MCO to pay a remittances but not a dental PAHP, please include this information.

If the answer to the assurance above is yes for any or all managed care entities, please answer the next assurance:

The State assures that if a remittance is owed by an MCO, PIHP, or PAHP to the State, the State:

- Reimburses CMS for an amount equal to the Federal share of the remittance, taking into account applicable differences in the Federal matching rate; and
- Submits a separate report describing the methodology used to determine the State and Federal share of the remittance with the annual report provided to CMS that summarizes the reports received from the MCOs, PIHPs, and PAHPs. (42 CFR 457.1203(e), cross referencing to 42 CFR 438.74(b))

**3.3.6**  The State assures that each MCO, PIHP, and PAHP calculates and reports the medical loss ratio in accordance with 42 CFR 438.8. (42 CFR 457.1203(f))

## **3.4 Enrollment**

The State assures that its contracts with MCOs, PIHPs, PAHPs, PCCMs, and PCCM entities provide that the MCO, PIHP, PAHP, PCCM or PCCM entity:

- Accepts individuals eligible for enrollment in the order in which they apply without restriction (unless authorized by CMS), up to the limits set under the contract (42 CFR 457.1201(d), cross-referencing to 42 CFR 438.3(d)(1));
- Will not, on the basis of health status or need for health care services, discriminate against individuals eligible to enroll (42 CFR 457.1201(d), cross-referencing to 42 CFR 438.3(d)(3)); and
- Will not discriminate against individuals eligible to enroll on the basis of race, color, national origin, sex, sexual orientation, gender identity, or disability and will not use any policy or practice that has the effect of discriminating on the basis of race, color, national origin, sex, sexual orientation, gender identity or disability. (42 CFR 457.1201(d), cross-referencing to 438.3(d)(4))

### **3.4.1 Enrollment Process**

**3.4.1.1**  The State assures that it provides informational notices to potential enrollees in an MCO, PIHP, PAHP, PCCM, or PCCM entity that includes the available managed care entities, explains how to select an entity, explains the implications of making or not making an active choice of an entity, explains the length of the enrollment period as well as the disenrollment policies, and complies with the information requirements in 42 CFR 457.1207 and accessibility standards established under 42 CFR 457.340. (42 CFR 457.1210(c))

3.4.1.2  The State assures that its enrollment system gives beneficiaries already enrolled in an MCO, PIHP, PAHP, PCCM, or PCCM entity priority to continue that enrollment if the MCO, PIHP, PAHP, PCCM, or PCCM entity does not have the capacity to accept all those seeking enrollment under the program. (42 CFR 457.1210(b))

3.4.1.3 Does the State use a default enrollment process to assign beneficiaries to an MCO, PIHP, PAHP, PCCM, or PCCM entity? (42 CFR 457.1210(a))

Yes

No

If the State uses a default enrollment process, please make the following assurances:

The State assigns beneficiaries only to qualified MCOs, PIHPs, PAHPs, PCCMs, and PCCM entities that are not subject to the intermediate sanction of having suspension of all new enrollment (including default enrollment) under 42 CFR 438.702 and have capacity to enroll beneficiaries. (42 CFR 457.1210(a)(1)(i))

The State maximizes continuation of existing provider-beneficiary relationships under 42 CFR 457.1210(a)(1)(ii) or if that is not possible, distributes the beneficiaries equitably and does not arbitrarily exclude any MCO, PIHP, PAHP, PCCM or PCCM entity from being considered. (42 CFR 457.1210(a)(1)(ii), 42 CFR 457.1210(a)(1)(iii))

## 3.4.2 Disenrollment

3.4.2.1  The State assures that the State will notify enrollees of their right to disenroll consistent with the requirements of 42 CFR 438.56 at least annually. (42 CFR 457.1207, cross-referencing to 42 CFR 438.10(f)(2))

3.4.2.2  The State assures that the effective date of an approved disenrollment, regardless of the procedure followed to request the disenrollment, will be no later than the first day of the second month following the month in which the enrollee requests disenrollment or the MCO, PIHP, PAHP, PCCM or PCCM entity refers the request to the State. (42 CFR 457.1212, cross-referencing to 438.56(e)(1))

3.4.2.3  If a beneficiary disenrolls from an MCO, PIHP, PAHP, PCCM, or PCCM entity, the State assures that the beneficiary is provided the option to enroll in another plan or receive benefits from an alternative delivery system. (Section 2103(f)(3) of the Social Security Act, incorporating section 1932(a)(4); 42 CFR 457.1212, cross referencing to 42 CFR 438.56; State Health Official Letter #09-008)

Such information includes medical necessity criteria, and any processes, strategies, or evidentiary standards used

in setting coverage limits.

- The enrollee's right to request an appeal of the MCO's, PIHP's, or PAHP's adverse benefit determination, including information on exhausting the MCO's, PIHP's, or PAHP's one level of appeal and the right to request a State review.

This includes, but is not limited to, auxiliary aids and services upon request, such as providing interpreter services and toll-free numbers that have adequate TTY/TTD and interpreter capability. (42 CFR 457.1260, cross-referencing to 42 CFR 438.406(a))

- Individuals who make decisions on grievances and appeals were neither involved in any previous level of review or decision-making nor a subordinate of any such individual.
- Individuals who make decisions on grievances and appeals, if deciding any of the following, are individuals who have the appropriate clinical expertise in treating the enrollee's condition or disease:
  - An appeal of a denial that is based on lack of medical necessity.
  - A grievance regarding denial of expedited resolution of an appeal.
  - A grievance or appeal that involves clinical issues.
- All comments, documents, records, and other information submitted by the enrollee or their representative will be taken into account, without regard to whether such information was submitted or considered in the initial adverse benefit determination.

This information must be provided free of charge and sufficiently in advance of the resolution timeframe for appeals.

**3.9.15**  The State assures that standard appeals are resolved (including notice to the affected parties) within 30 calendar days from the day the MCO, PIHP, or PAHP receives the appeal. The MCO, PIHP, or PAHP may extend the timeframe by up to 14 calendar days if the enrollee requests the extension or the MCO, PIHP, or PAHP shows that there is need for additional information and that the delay is in the enrollee's interest. **3.9.16**  The State assures that each MCO, PIHP, and PAHP establishes and maintains an expedited review process for appeals that is no longer than 72 hours after the MCO, PIHP, or PAHP receives the appeal. The expedited review process applies when the MCO, PIHP, or PAHP determines (for a request from the enrollee) or the provider indicates (in making the request on the enrollee's behalf or supporting the enrollee's request) that taking the time for a standard resolution could seriously jeopardize the enrollee's life, physical or mental health, or ability to attain, maintain, or regain maximum function. (42 CFR 457.1260, cross-referencing to 42 CFR 438.408(b) and (c), and 42 CFR 438.410(a))

**3.9.18**  The State assures that if the MCO, PIHP, or PAHP extends the timeframes for an appeal not at the request of the enrollee or it denies a request for an expedited resolution of an appeal, it completes all of the following:

- Resolve the appeal as expeditiously as the enrollee's health condition requires and no later than the date the extension expires. (42 CFR 457.1260, cross-referencing to 42 CFR 438.408(c) and 42 CFR 438.410(c))

MCO's, PIHP's, or PAHP's appeals process and the enrollee may initiate a State review. (42 CFR 457.1260, cross-referencing to 42 CFR 438.408(c)(3))

**3.9.20** ☒ The State assures that has established a method that an MCO, PIHP, and PAHP will use to notify an enrollee of the resolution of a grievance and ensure that such methods meet, at a minimum, the standards described at 42 CFR 438.10.   - That the enrollee may, consistent with State policy, be held liable for the cost of those benefits if the hearing decision upholds the MCO's, PIHP's, or PAHP's adverse benefit determination. (42 CFR 457.1260, cross referencing to 42 CFR 457.408(d)(2)(i) and (e))

**3.9.22** ☒ For notice of an expedited resolution, the State assures that each contracted MCO, PIHP, or PAHP makes reasonable efforts to provide oral notice, in addition to the written notice of resolution. (42 CFR 457.1260, cross referencing to 42 CFR 457.408(d)(2)(ii))

**3.9.23** ☒ The State assures that if it offers an external medical review:

- The review is at the enrollee's option and is not required before or used as a deterrent to proceeding to the State review;
- The review is independent of both the State and MCO, PIHP, or PAHP; and
- The review is offered without any cost to the enrollee. (42 CFR 457.1260, cross-referencing to 42 CFR 438.408(f))

- The right to file grievances and appeals;
- The requirements and timeframes for filing a grievance or appeal;
- The availability of assistance in the filing process;

- The right to request a State review after the MCO, PIHP or PAHP has made a determination on an enrollee's appeal which is adverse to the enrollee; and
- The fact that, when requested by the enrollee, benefits that the MCO, PIHP, or PAHP seeks to reduce or terminate will continue if the enrollee files an appeal or a request for State review within the timeframes specified for filing, and that the enrollee may, consistent with State policy, be required to pay the cost of services furnished while the appeal or State review is pending if the final decision is adverse to the enrollee. (42 CFR 457.1260, cross-referencing to 42 CFR 438.414)

**3.9.26**  The State assures that it requires MCOs, PIHPs, and PAHPs to maintain records of grievances and appeals and reviews the information as part of its ongoing monitoring procedures, as well as for updates and revisions to the State quality strategy.
