

Children's Health Insurance Program Plan Activity as of July 1, 2014

- Commonwealth of Northern Mariana Islands
- Guam
- American Samoa

Key:

- Medicaid Expansions: 8 States, 5 Territories, and D.C.
- All Others:
 - Combination Programs: 29 States
 - 12 States are considered "Separate" by the state but technically Combos due to 133% transition.
 - WA is a "Separate" program with no Combination due to prior Medicaid expansion.
 - Program type does not account for states with a Separate CHIP solely for temporary 2101(f) protection.
