Dear Ms. MacDonald:

Your title XXI Children’s Health Insurance Program (CHIP) State Plan Amendment (SPA) number MN-21-0016 submitted on June 30, 2021, has been approved. Through this SPA, Minnesota has demonstrated compliance with the American Rescue Plan Act of 2021 (ARP). This SPA has an effective date of March 11, 2021 and extends through the last day of the first calendar quarter that begins one year after the last day of the COVID-19 emergency period, as described in section 1135(g)(1)(B) of the Social Security Act (the Act).

Section 9821 of the ARP amended sections 2103(c)(11)(B) and 2103(e)(2) of the Act to mandate coverage of COVID-19 testing, treatment, and vaccines and their administration without cost-sharing or amount, duration, or scope limitations. Sections 2103(c)(11)(B) and 2103(e)(2) of the Act also require states to cover, without cost sharing, the treatment of conditions that may seriously complicate COVID-19 treatment, during the period when a beneficiary is diagnosed with or is presumed to have COVID-19. The state provided the necessary assurances to demonstrate compliance with the ARP in accordance with the requirements of sections 2103(c)(11)(B) and 2103(e)(2) of the Act.
