Mr. Todd Richardson  
MO HealthNet Division  
State of Missouri, Department of Social Services  
615 Howerton Court, PO Box 6500  
Jefferson City, MO 65102

Dear Mr. Richardson:

Your title XXI Children's Health Insurance Program (CHIP) State Plan Amendment (SPA) number MO-22-0034 submitted on November 8, 2022, has been approved. Through this SPA, Missouri has demonstrated compliance with section 9821 of the American Rescue Plan Act of 2021 (ARP). This SPA has an effective date of March 11, 2021 and extends through the last day of the first calendar quarter that begins one year after the last day of the COVID-19 emergency period, as described in section 1135(g)(1)(B) of the Social Security Act (the Act).

Section 9821 of the ARP amended sections 2103(c)(11)(B) and 2103(e)(2) of the Act to mandate coverage of COVID-19 testing, treatment, and vaccines and their administration without cost-sharing. Sections 2103(c)(11)(B) and 2103(e)(2) of the Act also require states to cover, without cost sharing, the treatment of conditions that may seriously complicate COVID-19 treatment, during the period when a beneficiary is diagnosed with or is presumed to have COVID-19. The state provided the necessary assurances to demonstrate compliance with section 9821 of the ARP in accordance with the requirements of sections 2103(c)(11)(B) and 2103(e)(2) of the Act.

Pursuant to section 1135(b)(5) of the Act, for the period of the public health emergency, CMS is modifying the requirement at 42 C.F.R. 457.65 that the state submit SPAs that are related to the COVID-19 public health emergency by the end of the state fiscal year in which they take effect. CMS is allowing states that submit SPAs after the last day of the state fiscal year to have an effective date in the prior state fiscal year, but no earlier than the effective date of the public health emergency. Missouri requested a waiver to obtain an earlier effective date of March 11, 2021.

Pursuant to section 1135(b)(5) of the Act, CMS is also allowing states to modify the timeframes associated with tribal consultation required under section 2107(e)(1)(f) of the Act, including shortening the number of days before submission or conducting consultation after submission of the SPA. Missouri requested a waiver to modify the tribal consultation timeline by completing tribal consultation after the effective date of the SPA.

This letter approves the state's request for a March 11, 2021 effective date and provides the state with the authority to modify the tribal consultation timeline for this SPA.

## CHIP SPA for Coverage Required by the American Rescue Plan Act

- 1.4 Provide the effective (date costs begin to be incurred) and implementation (date services begin to be provided) dates for this SPA (42 CFR 457.65). A SPA may only have one effective date, but provisions within the SPA may have different implementation dates that must be after the effective date.

**SPA number:** MO-22-0034

**Purpose of SPA:** The purpose of this SPA is to demonstrate compliance with the American Rescue Plan Act provisions that require states to cover treatment (including treatment of a condition that may seriously complicate COVID-19 treatment), testing, and vaccinations for COVID-19 without cost sharing in CHIP.

**Proposed effective date:** March 11, 2021

**Proposed implementation date:** March 11, 2021

- 1.4-TC **Tribal Consultation.** (Section 2107(e)(1)(C)) Describe the consultation process that occurred specifically for the development and submission of this State Plan Amendment, when it occurred and who was involved.

**Response:** In October 2021, CMS informed MO HealthNet Division that Missouri has an Urban Indian Organization in Kansas City, Missouri. The organization is called the Kansas City Indian Center (KCIC). MHD met with KCIC on February 2, 2022 to establish the consultation process. Missouri sent a Tribal Consultation Letter to KCIC on October 5, 2022 informing them of this SPA submittal.

- 6.2.27 **Any other health care services or items specified by the Secretary and not included under this Section (Section 2110(a)(28))**

Effective March 11, 2021 and through the last day of the first calendar quarter that begins one year after the last day of the COVID-19 emergency period described in section 1135(g)(1)(B) of the Act, and for all populations covered in the CHIP state child health plan:

COVID-19 Vaccine:

- The state provides coverage of COVID-19 vaccines and their administration, in accordance with the requirements of section 2103(c)(11)(A) of the Act.

COVID-19 Testing:

- The state provides coverage of COVID-19 testing, in accordance with the requirements of section 2103(c)(11)(B) of the Act.

- The state assures that coverage of COVID-19 testing is consistent with the Centers for Disease Control and Prevention (CDC) definitions of diagnostic and screening testing for COVID-19 and its recommendations for who should receive diagnostic and screening tests for COVID-19.
- The state assures that coverage includes all types of FDA authorized COVID-19 tests.

COVID-19 Treatment:

- The state assures that the following coverage of treatments for COVID-19 are provided without amount, duration, or scope limitations, in accordance with requirements of section 2103(c)(11)(B) of the Act:
  - The state provides coverage of treatments for COVID-19 including specialized equipment and therapies (including preventive therapies);
  - The state provides coverage of any non-pharmacological item or service described in section 2110(a) of the Act, that is medically necessary for treatment of COVID-19; and
  - The state provides coverage of any drug or biological that is approved (or licensed) by the U.S. Food & Drug Administration (FDA) or authorized by the FDA under an Emergency Use Authorization (EUA) to treat or prevent COVID-19, consistent with the applicable authorizations.

Coverage for a Condition That May Seriously Complicate the Treatment of COVID-19:

- The state provides coverage for treatment of a condition that may seriously complicate COVID-19 treatment without amount, duration, or scope limitations, during the period when a beneficiary is diagnosed with or is presumed to have COVID-19, in accordance with the requirements of section 2103(c)(11)(B) of the Act.
