Dear Ms. Wachino:

Thank you for approving our request to extend Colorado's title XXI section 1115 demonstration entitled, "Adult Prenatal Coverage in Child Health Plan *Plus* (CHP+)," Project No. 21-W-00014/8. The Colorado Department of Health Care Policy & Financing respectfully acknowledges and accepts the Special Terms and Conditions (STCs) as outlined in the STCs document with the following technical corrections:

- STC 7.b. and 8.a. refer to the requirements outlined in STC 15; they should, however, refer to the requirements outlined in STC 14.
- STC 36 refers to HHS three times; it should, however, refer to CMS.

Colorado is honored to be the first state to pilot CMS' new "Fast Track" review process for section 1115 Medicaid and Children's Health Insurance Program demonstration programs. We look forward to our continued partnership with you on this project.

Sincerely,

Gretchen Hammer
Medicaid Director
