Dear Ms. Khoo:

The State received the approval letter and Special Terms and Conditions (STCs) dated June 8, 2018 for Florida's 1115 Managed Medical Assistance Waiver (Project Number 11-W-00206/4) from the Centers for Medicare & Medicaid Services. The State accepts the STCs as specified, acknowledging minor technical changes that do not have substantive programmatic impacts, including changes to:

- STC 7: Amendment Process;
- STC 8: Extension of the Demonstration; and
- STC 15: Public Notice, Tribal Consultation, and Consultation with Interested Parties.

Additionally, the State accepts the changes to STC 69: LIP Provider Participation Requirements, which authorizes the state to change the requirements for Federally Qualified Health Centers and Rural Health Clinics to receive payment under the Low Income Pool.

We appreciate your efforts in working with our staff on this waiver amendment. Should you have any questions, please contact me at (850) 412-4006. We look forward to continuing to work with you.

Sincerely,

Beth Kidder
Deputy Secretary for Medicaid
