Dear Ms. Khoo:

The Agency for Health Care Administration (Agency) is submitting the statement below regarding the Low Income Pool (LIP) payments for Demonstration Year (DY) 9 and DY 10, in accordance with Special Term and Condition (STC) #74 of Florida's 1115 Research and Demonstration Waiver (Project Number 11-W-00206/4).

The Agency assures CMS that the medical school physician supplemental LIP payments do not exceed cost based on the 1115 Demonstration STCs and the Reimbursement and Funding Methodology Document (RFMD) for waiver years DY 9 and DY 10. The medical school physicians did not receive LIP funding in DY 11. Starting with DY 12, the medical school physician supplemental LIP cost limit reconciliation will be submitted annually based on the RFMD instructions.
