Re: Georgia Planning for Healthy Babies (11-W-00249/4)

Dear Mr. Lynch:

The Department of Community Health is in receipt of the August 29, 2019 approval notice extending its 1115 family planning demonstration entitled "Planning for Healthy Babies" for an additional ten years. This demonstration strives to reduce the number of low birth weight babies in our Georgia Medicaid population by providing family planning and family planning related services to otherwise non-eligible women.

Georgia accepts the terms of the award letter including the Special Terms and Conditions with the attached technical corrections that were previously approved by CMS.

Thank you for helping Georgia attain this final approval. We look forward to working with you and your staff on our demonstration.

Sincerely,

Lynnette R. Rhodes, Esq.
Executive Director
Medical Assistance Plans
Georgia Department of Community Health
