Dear Dr. Mohr Peterson:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved a one-month temporary extension of the state's section 1115 demonstration, entitled "QUEST Integration" (Project Number: 11-W-0001/9) in order to allow the state and CMS to continue working together on approval of the extension of this demonstration. This demonstration is now set to expire on July 31, 2019.

CMS' approval is conditioned upon the state's continued compliance with the Special Terms and Conditions (STCs) defining the nature, character, and extent of anticipated federal involvement in the project. The current STCs, waiver, and expenditure authorities will continue to apply during the temporary extension of this demonstration until July 31, 2019.

Your CMS project officer for this demonstration is Mr. Michael Trieger. He is available to answer any questions concerning your section 1115 demonstration. Mr. Trieger can be reached at (410) 786-0745, or at Michael.Trieger1@cms.hhs.gov.

If you have questions regarding this communication, please contact me at (410) 786-9686.

Sincerely,

Judith Cash
Director
