Dear Mr. Milburn:

The Illinois Department of Healthcare and Family Services (HFS) is pleased that the Centers for Medicare and Medicaid Services (CMS) has approved Illinois' Behavioral Health Transformation 1115 Demonstration Waiver. We look forward to continuing to work with CMS to implement the 10 pilots that are currently not available to Illinois Medicaid beneficiaries. By this letter, Illinois hereby accepts the Special Terms and Conditions (STCs) enclosed with the May 7, 2018 approval.

Having accepted the approved waiver and STCs, Illinois now respectfully requests a minor technical correction to STC 36, Intensive In-Home Services. The chart below is an update that has the pilot beginning in demonstration year 1 in agreement with the chart in STC 75.

| Demonstration Year (DY) | Enrollment Limit |
|-------------------------|------------------|
| DY 1 | 10,775 |
| DY 2 | 15,852 |
| DY 3 | 18,650 |
| DY 4 | 18,650 |
| DY 5 | 18,650 |

Please review this request for a technical correction and kindly confirm in writing whether the technical correction is accepted.

If you have any questions, please feel free to contact Teresa Hursey 217-782-2570 or Teresa.Hursey@Illinois.gov.

Sincerely,

Felicia F. Norwood
