Dear Mr. Moser:

Thank you for providing an update and supplement to the state's application titled, Healthy Indiana Plan (HIP) 2.0, which was submitted on July 2, 2014. As indicated in our July 17, 2014 response, the state's application previously did not meet the requirements for tribal consultation that is required prior to submission to The Centers for Medicare & Medicaid Services (CMS). We have completed a preliminary review of the application, including supplemental material received August 21, 2014, and have determined that the state's application has met the requirements for a complete application request as specified under section 42 CFR 431.412(a).

In accordance with section 42 CFR 431.416(a), CMS acknowledges receipt of the state's application. The documents will be posted on Medicaid.gov and the comment period will last 30 days, as required under 42 CFR 431.416(b). The state's application is available at <http://medicaid.gov/Medicaid-CHIP-Program-Information/By-Topics/Waivers/Waivers.html>.

We look forward to our continuing work with you and your staff on the proposed demonstration project. If you have additional questions or concerns, please contact your project officer Wakina Scott, Division of State Demonstrations and Waivers, at (410) 786-0921, or at [Wakina.Scott@cms.hhs.gov](mailto:Wakina.Scott@cms.hhs.gov).

Sincerely,

/s/
