RE: 11-W-00237/5 Approval for Temporary Support of ESRD Beneficiaries

Dear Ms. Mann:

This letter is in response to CMS approval of temporary support for beneficiaries with end stage renal disease (ESRD) through our section 1115 demonstration, entitled Healthy Indiana Plan (HIP). Indiana accepts the terms of CMS' approval letter dated May 30, 2014, with the understanding that enrollment of newly eligible individuals with ESRD will be limited to those at or below 300% FPL. The 1915(i) state plan amendment (SPA) will be submitted by the agreed deadline of June 30, 2014.

The State of Indiana extends our appreciation for CMS' willingness to work with us to find a short term solution to ensure continued services for this vulnerable population.

If there are any questions or comments regarding this letter please do not hesitate to contact me at (317) 234-8725 or joe.moser@fssa.in.gov.

Sincerely,

Joseph Moser
Medicaid Director
