July 23, 2014

Dear Mr. Moser:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving your request received on July 15, 2014 to amend Indiana's section 1115 demonstration, entitled Healthy Indiana Plan (HIP). Approval of the amendment to this demonstration is under the authority of section 1115(a) of the Social Security Act and is effective from the date of this letter through October 31, 2014.

This award approves the state's request to temporarily freeze enrollment into the HIP demonstration for parents and childless adults due to current state budgetary constraints. The state will work to ensure that such individuals who apply before the date of this letter and meet the eligibility criteria for HIP are enrolled into the HIP demonstration.

The state will also take administrative action so that parents and childless adults who apply for HIP on or after the date of this letter through October 31, 2014 are placed on a waiting list to allow for transition and enrollment of these individuals, should other coverage options become available. We look forward to continuing to work with you and your staff as the state works to expand Medicaid to the new low-income adult eligibility group beginning in 2015.

The authorities provided in this demonstration award are subject to CMS receiving your written acknowledgement of this approval within 30 days of the date of this letter. The state's existing approved Special Terms and Conditions (STCs), waivers and expenditure authorities for the demonstration in all other respects remain unchanged, and in effect.

If you have questions regarding this award, please contact Mr. Eliot Fishman, Director, Children and Adults Health Programs Group, Center for Medicaid & CHIP Services, at (410) 786-5647.

Sincerely,

/s/
