Debra F. Minott
Secretary
Family and Social Services Administration
402 W. Washington Street, P.O. Box 7083
Indianapolis, IN 46207-7083

Dear Ms. Minott:

Thank you for providing an update and supplement to the state's request to extend the Healthy Indiana Plan (HIP) section 1115 demonstration (Project Number 11-W-00237/5) that was submitted on February 13, 2013. As indicated in our February 25, 2013 response, the state's application previously did not include documentation with respect to the 30-day public comment and notice process that is required at the state level prior to submission to The Centers for Medicare & Medicaid Services (CMS). We have completed a preliminary review of the application, including supplemental material received April 15, 2013, and have determined that the state's extension request has met the requirements for a complete extension request as specified under section 42 CFR 431.412(c).

In accordance with section 42 CFR 431.416(a), CMS acknowledges receipt of the state's extension request. The 30-day federal comment period, as required under 42 CFR 431.416(b), begins on April 30, 2013 and ends on May 30, 2013. The state's extension request is available at www.medicaid.gov.

We look forward to working with you and your staff to extend the state's demonstration. If you have additional questions or concerns, please contact your assigned project officer Wakina Scott, Division of State Demonstrations and Waivers, at (410) 786-0921, or at Wakina.Scott@cms.hhs.gov.

Sincerely,

/s/
