Dear Director Mann:

The attached 1115 waiver renewal submission contains the required documents to request the Healthy Indiana Plan (HIP) be renewed for the maximum allowable time. The current HIP 1115 Waiver expires December 31, 2012. The submission includes changes and additions authorized by the Indiana General Assembly and requests the program be the coverage vehicle for the Patient Protection and Affordable Care Act (PPACA) required Medicaid expansion. The authorizing language can be found at Indiana Code 12-15-44.2.

The renewal request was prepared per the process outlined in the proposed rules for 1115 Waiver submission published in the federal register March 14, 2011. The process included a public comment period, and the feedback received is summarized in this application. The renewal request also incorporates the language from the August 11, 2011 Medicaid Eligibility proposed rule surrounding the new 'Adult' group.

Thank you for your consideration of our 1115 waiver renewal submission. We look forward to working with you to approve our waiver renewal.

Regards,

/Michael A. Gargano/
