Dear Ms. Minott:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved a one-year extension of Indiana's section 1115 Healthy Indiana Plan (HIP) demonstration (project number 11-W-00237/5), as amended, in order to not disrupt the coverage currently afforded in Indiana as the state continues to consider its coverage options. The HIP demonstration, which will continue to receive federal financial participation at the state's regular federal medical assistance percentage (FMAP), is now set to expire on December 31, 2014.

CMS approval of the HIP extension is conditioned upon continued compliance with the enclosed revised set of special terms and conditions (STCs) defining the nature, character, and extent of anticipated federal involvement in the project. As agreed, in light of the coverage options that will be available to residents of Indiana beginning in January 2014, as of that date the demonstration will be limited to certain adults with incomes under 100 percent of the federal poverty level, and the state will develop a transition plan to facilitate a seamless transfer of coverage for those currently enrolled in the demonstration with incomes above that level. The award is subject to our receiving your written acknowledgement of the award and acceptance of these STCs within 30 days of the date of this letter. A copy of the revised STCs, waivers and expenditure authorities are enclosed.

Your project officer for this demonstration is Wakina Scott. She is available to answer any questions concerning your section 1115 demonstration and this one-year extension. Ms. Scott's contact information is as follows:
