State Demonstrations Group

Michael Randol, MBA
State Medicaid Director
Kansas Department of Health and Environment
Division of HealthCare Finance
Topeka, KS 66612

Dear Mr. Randol:

I am writing to inform you that the Centers for Medicare & Medicaid Services (CMS) has made the technical corrections to the Special Terms and Conditions (STCs) for Kansas’ section 1115(a) demonstration (11-W-00283/7) as requested by the state.

The technical correction updates the uniform percentage of eligible uncompensated costs for demonstration year five in Attachment J to the STCs. Attachment J sets forth the uniform percentage of eligible uncompensated costs that shall be reimbursed under the Health Care Access Improvement Program Pool described in Section XI, STC 66. The approved uniform percentage of eligible uncompensated costs for demonstration year five has been incorporated into Attachment J to the STCs.

This approval does not alter any of the requirements specified in the STCs of the demonstration. A copy of updated Attachment J is enclosed.

If you have any questions, please contact your project officer, Ms. Linda Macdonald. Ms. Macdonald can be reached at (410) 786-3872, or by email at Linda.Macdonald@cms.hhs.gov.

We look forward to continuing to partner with you and your staff on the KanCare section 1115 demonstration.

Sincerely,

/s/

Kim Howell
