Dear Ms. Kennedy:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved your amendment request to the Louisiana's Greater New Orleans Community Health Connection (GNOCHC) section 1115 demonstration (Project No. 11-W-00252/6).

Per your June 2014 request, the amendment to the Special Terms and Conditions (STCs) reflects an increase in the aggregate expenditure limit of the demonstration up to \$111.6 million dollars due to the state's capacity to extend the non-federal share. This is an increase of \$6 million to the available spending limit. The approval of the GNOCHC amendment is conditioned upon continued compliance with the enclosed STCs defining the nature, character, and extent of anticipated federal involvement in the project. The award is subject to our receiving your written acknowledgement of the award and acceptance of these STCs within 30 days of the date of this letter.

Written acceptance should be sent to Andrea Casart. Ms. Casart's contact information is as follows:
