P.O. Box 6500

Dear Mr. Levy:

Thank you for your letter dated July 20, 2011, accepting the recently approved Medicaid section 1115 Demonstration award and your request for technical corrections to the Special Terms and Conditions (STCs) for the Missouri Women's Health Services Program (11-W-00236/7).

We are pleased to inform you that the Centers for Medicare & Medicaid Services (CMS) has reviewed the technical corrections requested in the State's acceptance letter and have incorporated the mutually agreed upon language into the STCs. CMS has also incorporated the technical corrections the State requested by phone on November 8, 2011 into the Expenditure Authority and STCs. Attached to this correspondence are updated Expenditure Authority and STCs that have been revised for technical accuracy. They are effective through December 31, 2013.

CMS looks forward to the continued success of the Missouri Women's Health Services Program section 1115 Demonstration project. If you have any questions about this communication, please contact me at (410) 786-6126 or Ms. Jennifer Sheer, project officer for the Demonstration, at (410) 786-1769.

Sincerely,
