INTRODUCTION

The Healthier Mississippi Waiver (HMW) Demonstration Program, Section 1115, was originally approved by the Centers for Medicare & Medicaid Services (CMS) for a five (5) year period beginning on October 1, 2004, through September 30, 2009. Since then, the demonstration was approved for renewal and under a series of temporary approvals for an additional five (5) year period beginning October 1, 2009, through July 23, 2015. Currently the demonstration has been approved for renewal effective July 24, 2015, through September 30, 2018 with the following changes: (1) an increase in the enrollment cap from 5,500 to 6,000 and (2) coverage of podiatry, eyeglasses, dental, and chiropractic services which were excluded from previous demonstration years.

The HMW Demonstration Program allows Mississippi to provide all state plan services, except for long-term care services (including nursing facility and home and community based waivers), swing bed in a skilled nursing facility, and maternity and newborn care to individuals with income up to one hundred and thirty five percent (135%) of the federal poverty level (FPL) who are aged or disabled, are not eligible for Medicare, and are not eligible under the Medicaid state plan.

During the 3rd quarter, DOM's Outreach Coordinators provided HMW information at twenty-six (26) community events.

OPERATIONAL/POLICY DEVELOPMENT/ISSUES

There have been no operational, policy development or issues reported during quarter three (3).

CONSUMER ISSUES

There have been no reported consumer issues during quarter three (3). Appeals of denials, terminations or other adverse changes are granted by the DOM upon receipt of written request, provided the appeal is requested within the specified deadline of thirty (30) days.

QUALITY ASSURANCE/MONITORING

DOM Office of Eligibility staff continues to monitor the waiver enrollment process to ensure only beneficiaries meeting the qualifications for the HMW are enrolled. In addition, claims submitted for services excluded under the HMW are systematically denied.

DEMONSTRATION EVALUATION

The HMW Draft Evaluation Design was submitted to CMS for approval in November 2015. CMS responded with feedback on May 1, 2017. Based on CMS feedback, DOM revised and resubmitted the Draft Evaluation Design on June 30, 2017. CMS responded with additional feedback on July 18, 2017. On August 3, 2017, DOM asked CMS for clarification regarding the additional feedback. DOM requires clarification from CMS to proceed with the Draft Evaluation Design.
