INTRODUCTION

The Healthier Mississippi Waiver (HMW) Demonstration Program, Section 1115, was originally approved by the Centers for Medicare & Medicaid Services (CMS) for a five (5) year period beginning on October 1, 2004, through September 30, 2009. Since then, the demonstration was approved for renewal and under a series of temporary approvals for an additional five (5) year period beginning October 1, 2009, through July 23, 2015. Currently the demonstration has been approved for renewal effective July 24, 2015, through September 30, 2018 with the following changes: (1) an increase in the enrollment cap from 5,500 to 6,000 and (2) coverage of podiatry, eyeglasses, dental, and chiropractic services which were excluded from previous demonstration years.

The HMW Demonstration Program allows Mississippi to provide all state plan services, except for long-term care services (including nursing facility and home and community based waivers), swing bed in a skilled nursing facility, and maternity and newborn care to individuals with income up to one hundred and thirty five percent (135%) of the federal poverty level (FPL) who are aged or disabled, are not eligible for Medicare, and are not eligible under the Medicaid state plan.

ENROLLMENT INFORMATION

Enrollment counts are person counts, not member months. The enrollment cap is 6,000.

There were one hundred fifty-five (155) voluntary disenrollments for 2nd quarter ending, March 31, 2017. Voluntary disenrollments are considered to be beneficiaries that are no longer enrolled in HMW, but did not become eligible for another category of eligibility. Disenrollment reasons include:

- Death,
- Disability not confirmed,
- Income limits exceeded,
- Failed MS residency requirements,

OUTREACH/INNOVATIVE ACTIVITIES

The Division of Medicaid (DOM) published brochures and other outreach materials which include a description of the HMW eligibility criteria and benefits. Brochures are made available to the public in various sites throughout the state and are posted on the DOM website. During the 2nd quarter, DOM's Outreach Coordinators provided HMW information at thirty (30) community events.

OPERATIONAL/POLICY DEVELOPMENT/ISSUES

There have been no operational, policy development or issues reported during quarter two (2).

CONSUMER ISSUES

There have been no reported consumer issues during quarter two (2).

Appeals of denials, terminations or other adverse changes are granted by the DOM upon receipt of written request, provided the appeal is requested within the specified deadline of thirty (30) days.

QUALITY ASSURANCE/MONITORING

DOM Office of Eligibility staff continues to monitor the waiver enrollment process to ensure only beneficiaries meeting the qualifications for the HMW are enrolled. In addition, claims submitted for services excluded under the HMW are systematically denied.

DEMONSTRATION EVALUATION

The HMW Draft Evaluation Design was submitted to CMS for approval in November 2015. CMS responded with feedback on May 1, 2017. DOM is currently working to revise the Draft Evaluation Design based on CMS' recommendations.
