Dear Mr. Melendez:

On October 13, 2017, New Jersey submitted notice to the Centers for Medicaid and Medicare Services (CMS) that New Jersey intended to amend its NJ FamilyCare Comprehensive Demonstration to introduce the Jersey Assistance for Community Caregiving (JACC) program into the waiver.

This letter serves as New Jersey's official withdrawal of the waiver amendment to introduce the Jersey Assistance for Community Caregiving (JACC) program into the waiver.

New Jersey thanks you for your continued guidance and support. Should you require additional information, please contact me directly at 609-588-2600.

Sincerely,

Meghan Davey
Director
