Dear Ms. Wachino:

RE: Extension approval of Oregon's 1115 family planning demonstration (Project Number: 11-W-00142/0)

The state of Oregon is please to accept the recent approval by CMS for the extension of Oregon's 1115 family planning demonstration waiver, Oregon ContraceptiveCare, 11-W-00142/0.

The approval extends this demonstration through December 31, 2021.

As you know, this extension allows Oregon to continue to increase the availability of contraceptive services, build service capacity, reduce the number of unintended pregnancies, and increase access to primary care.

Thank you for your support of Oregon's efforts to promote healthy, well-timed pregnancies. We look forward to continuing our ongoing partnership with your agency.

Sincerely,

Lori Coyner, M.A.
State Medicaid Director
