Dear Dr. Goldberg:

We are pleased to inform you that Oregon's request for an extension of its section 1115 family planning demonstration, entitled "Oregon Family Planning Expansion Project" (FPEP), as modified by the Special Terms and Conditions (STCs) accompanying this award letter, has been approved as project number 11-W-00142/0. Under this Demonstration, the State will cover family planning services for women of childbearing age losing Medicaid pregnancy coverage at the conclusion of 60 days postpartum and men and women of childbearing age who are not eligible for Medicaid or the Children's Health Insurance Program and who have family income at or below 250 percent of the Federal poverty level. Approval of the extension of this Demonstration is under the authority of section 1115(a) of the Social Security Act and is effective as of April 1, 2010, through October 31, 2012.

Our approval of this demonstration project is subject to the limitations specified in the approved expenditure authorities list and title XIX requirements not applicable. The State may deviate from the Medicaid State plan requirements to the extent those requirements have been specifically listed as granted expenditure authority or title XIX requirements not applicable. All requirements of the Medicaid program as expressed in law, regulation, and policy statement not expressly identified as not applicable, shall apply to the Oregon FPEP Demonstration.

The approval is also conditioned upon continued compliance with the enclosed STCs defining the nature, character, and extent of Federal involvement in this project. This award letter is subject to our receipt of your written acceptance of the award, including the expenditure authorities and STCs, within 30 days of the date of this letter.
