Dear Ms. Coyner:

Thank you for your recent request to extend the Oregon Contraceptive Care (“CCare”) section 1115(a) Medicaid family planning demonstration (Project Number 11W00142/0) through the Centers for Medicare & Medicaid Services’ (CMS) FAST TRACK review process.

CMS received your extension request on April 15, 2015 and has completed its preliminary review to find the state’s application complete in accordance with section 42 CFR 431.416(a). We also find the state’s application meets the criteria for a FAST TRACK federal review.

Oregon’s application will be posted on Medicaid.gov and the comment period will last 30 days, as required by 42 CFR 431.416(b). The state’s extension request will be available at <http://medicaid.gov/Medicaid-CHIP-ProgramInformation/ByTopics/Waivers/Waivers.html>.

We look forward to working with you and your staff to extend the state’s demonstration. If you have additional questions or concerns, please contact your project officer Ms. Erica Dimes, at (410) 786-5913, or at erica.dimes@cms.hhs.gov.

Sincerely,

/s/
