Dear Ms. Wachino:

RE: Amendments to Oregon's 1115 Demonstration (NUMBER: 21-W-00013/10 and 11-W-00160/10)

The state of Oregon is pleased to accept the recent amendments made by CMS to the Special Terms and Conditions (STC's), of Oregon's 1115 demonstration project, the Oregon Health Plan, 21-W-0013/10 and 11-W-00160/10.

These amendments extend the Hospital Transformation Performance Program (HTPP) payments through June 30, 2017 and approve the state's request to delay submission of the interim evaluation report to June 30, 2016.

As you know, this approval will enable the state to continue to move forward and strengthen incentives that will accelerate health system transformation at the provider-level within the state's CCO structure. The state appreciates this endorsement and understands and accepts the associated post-approval submissions and the ongoing reporting and documentation requirements.

Thank you for all of your efforts in support of the Oregon 1115 Demonstration and the state's Hospital Transformation Performance Program.

Sincerely,

Lori Coyner, M.A.
State Medicaid Director
