Subject: RE: PA Family Planning Demonstration Temporary Extension;

Good afternoon Ms. Sheer,

We are writing in regard to the Pennsylvania's Section 1115 Family Planning demonstration waiver that is currently operating under a temporary extension until December 31, 2012. The Department of Public Welfare (Department) requests an additional 90-day extension of the current demonstration in order to continue the renewal application process with the Centers of Medicare and Medicaid Services (CMS). The extension will enable the Department to continue providing uninterrupted coverage of selected family planning services, pharmaceuticals and supplies for women who are not otherwise eligible for Medical Assistance and are at or below 185% of the Federal Poverty Level. During the extension period, we request the demonstration continue to operate under the current lists of waiver and expenditure authorities and Special Terms and Conditions approved by CMS.

Thank you for your consideration.
