RE: TennCare II Demonstration (No. 11-W-00151/4), Amendment 37

Dear Ms. Hollis,

We greatly appreciate your review and approval of Amendment 37 to the TennCare II demonstration. We have reviewed the materials that accompanied the approval letter, and we accept the new Special Terms and Conditions, Waivers, and Expenditure Authorities. We have identified a small number of technical corrections that should be reflected in the amended demonstration materials. These proposed technical corrections are indicated in the electronic document accompanying this letter. If you need any additional information about Amendment 37 or about the requested technical corrections, please contact Aaron Butler at (615) 507-6448.

Thank you again for your assistance with Amendment 37. We look forward to continuing to work with you to provide high-quality healthcare to individuals enrolled in the TennCare demonstration.

Sincerely,

John G. (Gabe) Roberts
Director
