Dear Mr. Roberts:

The Centers for Medicare & Medicaid Services (CMS) has approved Tennessee's evaluation design for the section 1115 demonstration, entitled "TennCare II" (Project Number: 11-W-00151/4). The enclosed Special Terms and Conditions (STCs) have been updated to incorporate the approved evaluation design as Attachment J of the STCs. The updated STCs will also be made available on Medicaid.gov.

You may now post the approved evaluation design on the state Medicaid website pursuant to the Special Terms and Conditions (STCs). Please note that an interim evaluation report, consistent with this approved evaluation design, is due to CMS one year prior to the expiration of the demonstration, or at the time of the renewal application if the state chooses to extend the demonstration.

If you have any questions, please contact your CMS project officer, Ms. Annie Hollis. Ms. Hollis can be reached by email at annie.hollis@cms.hhs.gov. We look forward to our continued partnership with you and your staff on the TennCare II section 1115 demonstration.

Sincerely,

Andrea Casart
