MS. OLSON: Okay. Good afternoon ladies and gentlemen. My name is Cindy Olson. I'm with the Department of Medical Assistance Services.

This is a public hearing being held at the Department of Medical Assistance Services in Richmond, Virginia.

This hearing is held pursuant to 42 CFR, Code of Federal Regulations, Section 431.408, for the purpose of receiving public comment on the Department's proposed action to request authority from the Centers for Medicare and Medicaid Services through a Section 1115 Demonstration Waiver, to implement use of the new Modified Adjusted Gross Income or MAGI rules for Medicaid and FAMIS determinations beginning October 1st, 2013. The notice of the Department's intent to request such a waiver was published in the Virginia Register on July the 1st, 2013.

Let me begin by introducing the individual seated with me today. This is Jack Quigley, also of the Department of Medical Assistance Services.

1 A few ground rules. We will receive
2 comments regarding our intent to request approval
3 to begin use of MAGI rules in October from any
4 member of the public who wishes to speak. If
5 you've not signed up to speak and you wish to give
6 testimony today, please sign your name on the
7 sign-up sheet in the back of the room at this
8 time. Initial comments will be limited to five
9 minutes.

10 The panel may ask speakers questions or to
11 clarify statements, if needed. However, this is
12 not the proper forum for other questions to the
13 Department. If you have questions for the
14 Department, please forward them in writing to the
15 Department.

16 Any speaker who wishes to provide a written
17 statement in addition to oral testimony may do so
18 and the written statement will be marked as an
19 exhibit for this hearing.

20 Written comments not presented at this
21 hearing will be accepted at the offices of the
22 Department of Medical Assistance Services. The
23 mailing address is Department of Medical
24 Assistance Services, 600 East Broad Street, Suite
25 1300, Richmond, Virginia, 23219.

1 Comments may be sent via fax to 804-786-
2 1680, or by email to Cindy.Olson@dmass.virginia.gov
3 Written comments will be accepted until July the
4 30th, 2013.

5 Before we begin the comment period, I would
6 like to provide a little background related to why
7 DMAS is requesting permission to implement the use
8 of MAGI rules beginning in October.

9 The Patient Protection and Affordable Care
10 Act of 2010 mandates significant changes in how
11 eligibility is determined for medical assistance
12 programs for children, parent/caretaker relatives
13 and pregnant women beginning January the 1st,
14 2014.

15 This change requires the use of IRS tax
16 rules for determining countable income and
17 household composition. These new rules are based
18 on Modified Adjusted Gross Income , or MAGI.

19 During the open enrollment period that runs
20 from October 1st, 2013, through December 31st,
21 2013, for health insurance coverage that will
22 begin on January 1st, 2014, the Federal Health
23 Insurance Marketplace will begin using these new
24 rules in their determinations of eligibility for
25 the Advanced Premium Tax Credit and cost-sharing

1 reductions.

2 They will also conduct an assessment of
3 potential Medicaid or FAMIS eligibility. If an
4 individual or family appears to meet Medicaid or
5 FAMIS requirements using the new rules, the
6 Marketplace will send the application
7 electronically to local departments of social
8 services for processing.

9 However, if the Virginia medical assistance
10 programs are not using the same rules as the
11 Marketplace, individuals assessed as being
12 potentially eligible will be evaluated using a
13 different set of rules that could result in a
14 different outcome.

15 Additionally, for applications received in
16 local departments of social services during this
17 time frame, eligibility determinations may need to
18 be conducted using two separate different sets of
19 rules; current Medicaid rules to determine
20 eligibility for the October through December time
21 period, and if not eligible, the new MAGI rules to
22 determine eligibility for coverage effective
23 January the 1st, 2014.

24 If the individual is not found to be
25 eligible for Medicaid or FAMIS, a referral to the

1 Marketplace will be completed. The purpose of
2 this Section 1115 waiver request is to allow
3 Virginia to avoid having to have two sets of rules
4 in place for determinations of medical assistance
5 eligibility for the same groups of people during
6 the open enrollment period.

7 Okay. Is there anyone on the telephone?

8 MS. HANKEN: Yes.

9 MS. OLSON: Okay. Could I ask you to
10 identify yourself.

11 MS. HANKEN: Hey Cindy, this is Jill
12 Hanken. How are you?

13 MS. OLSON: I'm good, Jill. How are you?

14 MS. HANKEN: Doing okay. Thank you.

15 MS. OLSON: Did you wish to make public
16 comment?

17 MS. HANKEN: Yes, I did.

18 MS. OLSON: Okay. This is Jill Hanken.
19 She's with the Virginia Poverty Law Center.

20 MS. HANKEN: Yeah. I had several things
21 to say, Cindy. First of all, I wanted to express
22 some concern about the lack of information that
23 was issued with this public hearing announcement.

24 The description that you just provided
25 actually provides and explanation that wasn't

1 included in the public notice itself. And beyond
2 that, we're still waiting, advocates are still
3 waiting to get information from DMAS about the new
4 MAGI conversion figure as well as other decisions
5 and choices the state is making about how it
6 intends to implement MAGI in Virginia.

7 I mean there are certain areas where the
8 state will have some choices; for example,
9 determining assistance units for pregnant women.
10 And there are other issues that I know you guys
11 are working hard on right now. But the public is
12 waiting for information about those things, and an
13 opportunity to make comment on those issues as
14 well.

15 In terms of this 1115 waiver, I do support
16 the idea of early implementation of MAGI. I think
17 it will definitely be useful to be applying one
18 set of eligibility rules instead of two, and be
19 less confusing to people.

20 I am not sure if the intent is to apply the
21 new MAGI rules on October 1 only for new
22 applicants. And I think that's how we should --
23 how Virginia should implement MAGI early, by only
24 applying it to new applicants. And to do that,
25 DMAS should extend any renewals of current

1 enrollees beyond that October to December 2013
2 time frame so that in order to reduce confusion
3 and also avoid violating maintenance of effort
4 requirements, that we just hold everybody --
5 current enrollees in place until later.

6 So I don't know if that's part of the plan.
7 I don't know if you're allowed to answer questions
8 during this public comment period. But that's a
9 question I have is; are you planning to delay
10 renewals of current enrollees during that three
11 month period of 2013?

12 And then beyond that, I also have a
13 question about whether Virginia intends to take
14 advantage of the second enrollment strategy that
15 was made available by CMS recently, that being to
16 delay renewals of current enrollees until after
17 March 31st of 2014.

18 It seems to me, again, this would help to
19 limit confusion limit workload on DSS offices, to
20 just take advantage of that option to delay
21 renewals beyond March 31st of 2014.

22 So again, if you're allowed to answer
23 questions during this process, I'd be very
24 interested in knowing what your -- the Agency's
25 plans are in terms of that issue.

1 So those are the thoughts and questions and
2 comments that I have about this potential 1115
3 waiver.

4 MS. OLSON: Okay. Thank you very much,
5 Jill. At this point in time we are only here to
6 accept public comment on the proposal to submit
7 the request to CMS for the Section 1115 waiver.
8 So I can't answer other questions at this point in
9 time.

10 MS. HANKEN: Okay. Did I understand you
11 to say that you were accepting written comments on
12 this until July 30th?

13 MS. OLSON: Yes.

14 MS. HANKEN: And is that day in that
15 public announcement that came out? I'm not sure I
16 saw that.

17 MS. OLSON: It's in the public
18 announcement that's posted on the DMAS website. I
19 thought it was in the one that was drafted for the
20 Virginia Register.

21 MS. HANKEN: And the Town Hall?

22 MS. OLSON: And the Town Hall. Yes.

23 MS. HANKEN: Yeah, I'll check it again.
24 Because there may be other folks who may want to
25 comment in writing by that time. So is it

1 sufficient for you to accept my written -- my oral
2 comments today, Cindy?

3 MS. OLSON: Yes, yes.

4 MS. HANKEN: Okay. All right.

5 MS. OLSON: Thank you.

6 MS. HANKEN: Well, thank you.

7 MS. OLSON: Is there anyone else on the
8 phone who would like to make a public comment?

9 (No response.)

10 Okay. And there are no members of the
11 public in this room. So I guess we'll wait a few
12 minutes to see if anyone else has anything.

13 So we're going to sit here for a few more
14 minutes to see if anyone else has comments.

15 MS. HANKEN: All right. Well, I will get
16 off now. Thank you guys for your time. And so
17 maybe I'll pose some of those questions to you
18 offline.

19 MS. OLSON: Okay.

20 MS. HANKEN: Thank you so much.

21 MS. OLSON: Thank you.

22 MS. HANKEN: Okay. Bye, bye.

23 (Brief recess.)

24 MS. OLSON: Is there anyone else on the
25 phone?

1 (No response.)

2 MS. OLSON: Since there's no further
3 comment today, I declare this public hearing is
4 closed.

5 (Hearing concluded, 1:20 p.m.)

This hearing is held pursuant to 42 CFR, 431.408, for the purpose of receiving public comment on the Department's proposed action to request authority from the Centers for Medicare and Medicaid Services through a Section 1115 Demonstration Waiver, to implement use of the new Modified Adjusted Gross Income or MAGI rules for Medicaid and FAMIS determinations beginning October 1st, 2013. The notice of the Department's intent to request such a waiver was published in the Virginia Register on July the 1st, 2013.

22

23

Let me begin by introducing the individual seated with me today; Jack Quigley.

24

25

A few ground rules. We will receive comments regarding our intent to request approval

1 to begin use of MAGI rules in October from any
2 member of the public who wishes to speak. If
3 you've not signed up to speak and you wish to give
4 testimony today, please sign your name on the
5 sign-up sheet in the back of the room at this
6 time. Initial comments will be limited to five
7 minutes.

8 The panel may ask speakers questions or to
9 clarify statements, if needed. However, this is
10 not the proper forum for other questions to the

14 Any speaker who wishes to provide a written
15 statement in addition to oral testimony may do so
16 and the written statement will be marked as an

18 Written comments not presented at this
19 hearing will be accepted at the offices of the
20 Department of Medical Assistance Services. The
21 mailing address is Department of Medical
22 Assistance Services, 600 East Broad Street, Suite
23 1300, Richmond, Virginia, 23219.

24 Comments may be sent via fax to 804-786-
25 1680, or by email to Cindy.Olson@dmass.virginia.gov

1 Written comments will be accepted until July the
2 30th, 2013.

3 Before we begin the comment period, I would
4 like to provide a little background related to why
5 DMAS is requesting permission to implement the use
6 of MAGI rules beginning in October.

7 The Patient Protection and Affordable Care
8 Act of 2010 mandates significant changes in how
9 eligibility is determined for medical assistance
10 programs for children, parent/caretaker relatives
11 and pregnant women beginning January the 1st,
12 2014.

13 This change requires the use of IRS tax
14 rules for determining countable income and
15 household composition. These new rules are based
16 on Modified Adjusted Gross Income, or MAGI.

17 During the open enrollment period that runs
18 from October 1st, 2013, through December 31st,
19 2013, for health insurance coverage that will
20 begin on January 1st, 2014, the Federal Health
21 Insurance Marketplace will begin using these new
22 rules in their determinations of eligibility for
23 the Advanced Premium Tax Credit and cost-sharing
24 reductions.

25 They will also conduct an assessment of

1 potential Medicaid or FAMIS eligibility. If an
2 individual or family appears to meet Medicaid or
3 FAMIS requirements using the new rules, the
4 Marketplace will send the application
5 electronically to local departments of social
6 services for processing.

7 However, if the Virginia medical assistance
8 programs are not using the same rules as the
9 Marketplace, individuals assessed as being
10 potentially eligible will be evaluated using a
11 different set of rules that could result in a
12 different outcome.

13 Additionally, for applications received in
14 local departments of social services during this
15 time frame, eligibility determinations may need to
16 be conducted using two separate different sets of
17 rules; current Medicaid rules to determine
18 eligibility for the October through December time
19 period, and if not eligible, the new MAGI rules to
20 determine eligibility for coverage effective
21 January the 1st, 2014.

22 If the individual is not found to be
23 eligible for Medicaid or FAMIS, a referral to the
24 Marketplace will be completed. The purpose of
25 this Section 1115 waiver request is to allow

1 Virginia to avoid having to have two sets of rules
2 in place for determinations of medical assistance
3 eligibility for the same groups of people during
4 the open enrollment period.

5 We'll suspend the hearing to see if anyone
6 shows up for public comment.

7 (Brief recess.)

8 MS. OLSON: I'd like to call this public
9 hearing back into session. Since there is no
10 further comment today, I declare this public
11 hearing closed.
