Dear Mr. Milburn,

It is with great appreciation that I write you on behalf of the Department of Medical Assistance Services, accepting the Special Terms and Conditions for the recent amendment of the Section 1115 Waiver for the GAP demonstration for Virginian's with Serious Mental Illness.

We appreciate the collaboration and communication with you and your colleagues to add the residential and partial hospitalization substance use treatment services, increasing the household financial eligibility for the GAP population, and for adding Medicaid coverage for the former foster care children/youth.

My staff and I are available to answer any questions concerning the ongoing demonstration and we look forward to our continued collaboration on behalf of serving our joint constituencies.

Sincerely,

A solid black rectangular box redacting the signature of Cynthia B. Jones.
