Dear Ms. Green:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) is granting your request for a temporary extension of the Wyoming Section 1115 Family Planning Demonstration, entitled, "Pregnant by Choice" (Project No. 11-W-00238/8) until December 31, 2018. This temporary extension will allow the state and CMS to continue working together on transitioning family planning coverage from the Pregnant by Choice Demonstration into the Medicaid State Plan in accordance with CMS' July 2, 2010 State Health Official Letter on the new "Family Planning Services Option." This temporary extension will also provide time for the state to complete all administrative activities related to an orderly close-out of the demonstration as required by Special Term and Condition #8.

The Pregnant by Choice demonstration will continue to operate under the authority of section 1115(a) of the Social Security Act and be subject to the December 30, 2014 CMS approved Special Terms and Conditions and associated expenditure and non-applicable authorities.

If you have any questions, please do not hesitate to contact your CMS project officer, Ms. Vanessa Khoo. Ms. Khoo can be reached at (410) 786-6033 or at Vanessa.Khoo@cms.hhs.gov. We look forward to continuing to work with you and your staff on this demonstration.

Sincerely,

Judith Cash
Director
