Dear Dr. Splinter:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 08-09. This state plan amendment updates Targeted Case Management for persons with mental retardation and/or related conditions. This State Plan was submitted to comply with the Deficit Reduction Act (DRA) of 2005.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for that SPA. Pursuant to section 1902 (a) (73) of the Act added by section 5006 (e) of the Recovery and Reinvestment Act of 2009, the State must submit evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 08-09 is approved with an effective date of March 3, 2008 as requested. A copy of the HCFA-179 is enclosed along with the approved plan pages.

If you have any questions, please contact Scott Harper at (214) 767-6564.

Sincerely,

Bill Brooks
