Dear Dr. Splinter:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 10-05. This state plan amendment implements changes in member cost sharing effective on or after August 1, 2010. CMS will be following up with the State to address the 5% aggregate family cap on premiums and cost sharing.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for that SPA. Pursuant to section 1902 (a) (73) of the Act added by section 5006 (e) of the Recovery and Reinvestment Act of 2009, the State must submit evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 10-05 is approved with an effective date of August 1, 2010 as requested. A copy of the HCFA-179 dated February 19, 2010 is enclosed along with the approved plan pages.

If you have any questions, please contact Scott Harper at (214) 767-6564 or Cheryl Rupley at (214) 767-6278.

Sincerely,

Bill Brooks
