

ELIGIBILITY DETERMINATIONS

The Department for Medicaid Services has by interagency agreement provided that the Department for Community Based Services will be responsible for all eligibility determinations and certification functions for individuals eligible for Medicaid, except that pursuant to agreement with the Social Security Administration, that agency determines Medicaid eligibility for Supplemental Security Income recipients.

The Department for Community Based Services is the single State agency for financial assistance under Title IV-A. Within the Department for Community Based Services, the Director of the Division of Family Support is responsible for supervising and directing the eligibility-related activities of staff located in each of Kentucky's 120 counties. Staff assigned to each local county make the eligibility determinations, with the appropriate eligibility rolls maintained at the central office level.

The interagency agreement shall include the following:

1. All of the Department for Community Based Services offices in each of the 120 counties will accept applications face-to-face or by mail-in application as approved by the Department for Medicaid Services;
2. If a recertification form is returned within 30 days after the date of discontinuance and contains documentation necessary to process the re-determination, the case will be re-determined based on the information received and the family will not need to complete a new application for benefits.
