DEPARTMENT OF HEALTH & HUMAN SERVICES Centers for Medicare & Medicaid Services San Francisco Regional Office 90 Seventh Street, Suite 5-300 (5W) San Francisco, CA 94103-6706

DIVISION OF MEDICAID & CHILDREN'S HEALTH OPERATIONS

April 29, 2015

Mari Cantwell Chief Deputy Director, Health Care Programs California Department of Health Care Services P.O. Box 997413, MS 0000 Sacramento, CA 95899-7413

Dear Ms. Cantwell:

Enclosed is an approved copy of California State Plan Amendment (SPA) 13-0021-MM1. In accordance with the Affordable Care Act, SPA CA-13-0021-MM1 was submitted to my office on September 11, 2013 to incorporate MAGI-based eligibility groups into California's Medicaid State Plan.

The effective date of this SPA is January 1, 2014. Enclosed are the following approved SPA pages that should be incorporated into your approved State Plan:

- Superseding Pages Document
- S14, pages 1-5
- S25, pages 1-3
- S28, pages 1-5
- S30, pages 1-8
- S33, page 1
- S50, page 1
- S51, page 1
- S52, pages 1-8
- S53, pages 1-2
- S54, pages 1-3
- S55, pages 1-2
- S57, pages 1-2
- S59, pages 1-2
- Attachment to S59 Statement related to individuals eligible for family planning services

Please note that there is a corrective action plan associated with this SPA. Over the course of review, a number of items were identified that will need to be addressed over the coming months. The Department of Health Care Services (DHCS) verified via e-mail on February 23, 2015 that the following changes will be made by the following dates:

Systems Changes

- Correct the Presumptive Eligibility (PE) beginning and ending dates for PE for pregnant women, including a requirement to check for a Medicaid application: 10/31/15
- Automate PE for pregnant women: 10/31/15
- Correct the limit in the number of PE periods for children to two every 12 months: 10/31/15

PE for Pregnant Women Provider Manual

• Implement DHCS' revised PE for pregnant women provider manual: within 60 days of the approval of this SPA

The CMS San Francisco Regional Office will continue to follow up with DHCS eligibility staff on the status of these required corrective actions during regularly scheduled phone calls.

CMS will also continue ongoing discussions with DHCS regarding its pregnancy related services benefit package and minimum essential coverage.

If you have any questions, please contact Cheryl Young by phone at (415) 744-3598 or by email at cheryl.young@cms.hhs.gov.

Sincerely,

/s/

Hye Sun Lee Acting Associate Regional Administrator Division of Medicaid & Children's Health Operations

Enclosure

The state elects to eliminate the requirement that a dependent child must be deprived of parental support or (a) care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of at least one parent. The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies): Have household income at or below the standard established by the state. MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state. Income standard used for this group Minimum income standard The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 1988, converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standards. The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard. An attachment is submitted. Maximum income standard The state certifies that it has submitted and received approval for its converted income standard(s) for parents and other caretaker relatives to MAGI-equivalent standards and the determination of the maximum income standard to be used for parents and other caretaker relatives under this eligibility group. An attachment is submitted. The state's maximum income standard for this eligibility group is: The state's effective income level for section 1931 families under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size. The state's effective income level for section 1931 families under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size. The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 O demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 (demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

(*) The	maximum	income	standard

If not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children),

1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A) (ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A) (ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.
- There is no resource test for this eligibility group.
- Presumptive Eligibility

The state covers children when determined presumptively eligible by a qualified entity.

• Yes • No

Presumptive Eligibility for Children 1902(a)(47) 1920A 42 CFR 435.1101 42 CFR 435.1102 The state provides Medicaid coverage to children when determined presumptively eligible by a qualified entity under the following provisions:

Approval Date: APR 2 22015 Effective Date: 1/1/2014

If the state has elected to cover Optional Targeted Low-Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the higher of the standard used for Optional Targeted Low-Income Children or the standard used for Infants and Children under 19 (42 CFR 435.118), for that child's age.

If the state has not elected to cover Optional Targeted Low Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the standard used under the Infants and Children under Age 19 eligibility group (42 CFR 435.118), for that child's age.

Children under the	following age may be determined presumptively eligible:	
Under age 19		

- The presumptive period begins on the date the determination is made.
- The end date of the presumptive period is the earlier of:

The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or

The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

- Periods of presumptive eligibility are limited as follows:
 - O No more than one period within a calendar year.
 - O No more than one period within two calendar years.
 - No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.
 - Other reasonable limitation:

	Name of limitation	Description	
+	Children Limitations	No more than two periods within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.	X

The state requires that a written application be signed by the applicant, parent or representative, as appropriate.

- Yes O No
 - O The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.
 - The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

- The presumptive eligibility determination is based on the following factors:
 - Household income must not exceed the applicable income standard described above, for the child's age.

Approval Date: APR 2 92015 Effective Date: 1/1/2014

A qualified Entities A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements, and th meets at least one of the following requirements. Select one or more of the following types of entitiused to determine presumptive eligibility for this eligibility group: Furnishes health care items or services covered under the state's approved Medicaid state plan and is eligible to receive payments under the plan Is authorized to determine a child's eligibility to participate in a Head Start program under the Head Start Act Is authorized to determine a child's eligibility to receive child care services for which financial assistance is provided under the Child Care and Development Block Grant Act of 1990 Is authorized to determine a child's eligibility to receive assistance under the Special Supplement: Food Program for Women, Infants and Children (WIC) under section 17 of the Child Nutrition A of 1966 Is authorized to determine a child's eligibility under the Medicaid state plan or for child health assistance under the Children's Health Insurance Program (CHIP) Is an elementary or secondary school, as defined in section 14101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 8801) Is an elementary or secondary school operated or supported by the Bureau of Indian Affairs Is a state or Tribal child support enforcement agency under title IV-D of the Act Is an organization that provides emergency food and shelter under a grant under the Stewart B. INDIVIDUALS ELIGIBLE FOR FAMILY PLANNING SERVICES (Attachment to S59)				
TRANSMITTAL NUMBER:	STATE:			
13-0021-MM	California			

The state is covering two categorical populations listed under section 1902(a)(10)(A)(ii)(XXI) of the Social Security Act and 42 CFR 435.214: (1) Individuals described at clause (xvi) of section 1905(a) (i.e., all individuals described in 1902(ii)); and (2) individuals described in clause (i) of 1905(a) (i.e., individuals under age 21).

In determining eligibility for this reasonable classification of children, the elections made in S59 apply to the group covering individuals under age 18 who also are described in section 1902(ii) except that, in determining eligibility for this group, the state considers only the income of the applicant.

In addition, in determining eligibility for this group as a whole, the state exercises the option to define the groups as individuals who would have been eligible for family planning benefits pursuant to the standards and processes imposed by the state on January 1, 2007 under a waiver granted pursuant to section 1115, <u>including but not limited to allowing self-attestation from an applicant or recipient which shall not require the individual to produce any subsequent documents to verify stated attestations for program eligibility.</u>
