May 8, 2017

Roderick Bremby, Commissioner
Department of Social Services
55 Farmington Avenue
Hartford, CT 06105

Dear Commissioner Bremby:

We are pleased to enclose a copy of approved Connecticut State Plan Amendment (SPA) No. 15-011, submitted to my office on March 27, 2015 and approved on May 3, 2017. This SPA amends Attachment 4.19-B to increase the fee for Healthcare Common Procedure Coding System (HCPCS) billing code 17302 (Levonorgestrel-releasing intrauterine contraceptive system). This change applies to providers who bill for the Mirena intrauterine contraceptive device (IUD) off the physician office and outpatient fee schedule. This change is necessary in order to properly reimburse providers for increased cost of this device and ensure sufficient access to medically necessary family planning services.

This SPA has been approved effective February 1, 2015, as requested by the State.

Changes are reflected in the following sections of your approved State Plan:

- Attachment 4.19-B, Page 1(a)i(E)

If you have any questions regarding this matter you may contact Marie DiMartino (617) 565-9157 or by e-mail at Marie.DiMartino@cms.hhs.gov

Sincerely,

/s/

Richard R. McGreal
Associate Regional Administrator

cc: Kate McEvoy, Director of Medical Administration - Health Services and Supports

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: CONNECTICUT

(5) Physician's services – fixed fee schedule not to exceed the Medicare physician fee schedule. Fees may be deleted or added and priced in order to remain compliant with HIPAA or to correct pricing errors. The current fee schedule was set as of February 1, 2015 and is effective for services provided on or after that date. The fee schedule for physicians can be accessed and downloaded by going to the Connecticut Medical Assistance Program website: www.ctdssmap.com. From this web page, go to "Provider," then to "Provider Fee Schedule Download." All governmental and private providers are reimbursed according to the same fee schedule.

Person-Centered Medical Home (PCMH) practices are individual sites of independent physician groups, solo physician practices, nurse practitioner groups, and individual nurse practitioners that have met National Committee for Quality Assurance (NCQA) Level 2 or Level 3 medical home recognition. PCMH practices must comply with all NCQA PCMH requirements and all additional written department requirements, including participation in various primary care initiatives operated by the State.

The department offers a PCMH Glide Path program, which pays enhanced rates to practices that are providing some of the additional Medicaid services required for NCQA PCMH recognition. In order to qualify for Glide Path, a practice must demonstrate that it has begun providing a more advanced standard of primary care and has committed to achieving NCQA PCMH recognition in a set period of time. Glide Path practices must also comply with all additional written department requirements, including participation in various primary care initiatives operated by the State.

Beginning January 1, 2012, PCMH and Glide Path practices may be eligible for a rate add-on to the procedure codes on the physician fee schedule identified below. PCMH practices may also be eligible for retrospective annualized supplemental payments for performance incentives and performance improvement. Independent physician-led Glide Path practices with five or fewer full-time equivalent practitioners across all practice locations may also be eligible for a supplemental payment at each Glide Path phase.

(a) Glide Path and PCMH Rate Add-On: The department will pay a rate add-on for the following procedures in addition to the amounts listed for each procedure code on the physician fee schedule: 99201, 99202, 99203, 99204, 99205, 99211, 99212, 99213, 99214, 99215, 99304, 99305, 99306, 99307, 99308, 99309, 99310, 99315, 99316, 99318, 99324, 99325, 99326, 99327, 99328, 99334, 99335, 99336, 99337, 99339, 99341, 99342, 99343, 99344, 99345, 99347, 99348, 99349, 99350, 99354, 99355, 99381, 99382, 99383, 99384, 99385, 99386, 99387, 99391, 99392, 99393, 99394, 99395, 99396, 99397, 99401, 99402, 99403, 99404, 99406, 99407, 99408, 99409, 99411, 99412, 99374, 99377, 99379, 99380, 96110, 99050, 99051, 99053, D0145,
