DEPARTMENT OF HEALTH & HUMAN SERVICES Centers for Medicare & Medicaid Services JFK Federal Building, Government Center Room 2275 Boston, Massachusetts 02203

Division of Medicaid and Children's Health Operations/Boston Regional Office

August 23, 2017

Roderick Bremby, Commissioner Department of Social Services 55 Farmington Avenue Hartford, CT 06105

Dear Commissioner Bremby:

We are pleased to enclose a copy of approved Connecticut State Plan Amendment (SPA) No. 15-020, submitted to my office on June 30, 2015 and approved on August 1, 2017. This SPA amends Attachment 4.19-B of the Medicaid State Plan to revise the reimbursement methodology for the professional components of radiology services to 57.5% of the 2007 Medicare rate in order to be consistent with other components of the reimbursement for radiology services. This change is necessary to establish a pricing methodology consistent with Medicare where, for a given radiology service, the fee for professional component added together with the fee for the technical component, equals the global fee at a consistent percentage of Medicare. This SPA does not change the technical fee or global fee, each of which will continue to be reimbursed at 57.5% of the 2007 Medicare rate.

This SPA has been approved effective April 1, 2015, as requested by the State.

Changes are reflected in the following sections of your approved State Plan:

• Attachment 4.19-B, Page 1(a)i(E)

If you have any questions regarding this matter you may contact Marie DiMartino (617) 565-9157 or by e-mail at <u>Marie.DiMartino@cms.hhs.gov</u>

Sincerely,

/s/

Richard R. McGreal Associate Regional Administrator

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT State: CONNECTICUT

(5) Physician's services – fixed fee schedule not to exceed the Medicare physician fee schedule. Fees may be deleted or added and priced in order to remain compliant with HIPAA or to correct pricing errors. The current fee schedule was set as of April 1, 2015 and is effective for services provided on or after that date. The fee schedule for physicians can be accessed and downloaded by going to the Connecticut Medical Assistance Program website: <u>www.ctdssmap.com</u>. From this web page, go to "Provider," then to "Provider Fee Schedule Download." All governmental and private providers are reimbursed according to the same fee schedule.

Person-Centered Medical Home (PCMH) practices are individual sites of independent physician groups, solo physician practices, nurse practitioner groups, and individual nurse practitioners that have met National Committee for Quality Assurance (NCQA) Level 2 or Level 3 medical home recognition. PCMH practices must comply with all NCQA PCMH requirements and all additional written department requirements, including participation in various primary care initiatives operated by the State.

The department offers a PCMH Glide Path program, which pays enhanced rates to practices that are providing some of the additional Medicaid services required for NCQA PCMH recognition. In order to qualify for Glide Path, a practice must demonstrate that it has begun providing a more advanced standard of primary care and has committed to achieving NCQA PCMH recognition in a set period of time. Glide Path practices must also comply with all additional written department requirements, including participation in various primary care initiatives operated by the State.

Beginning January I, 2012, PCMH and Glide Path practices may be eligible for a rate add-on to the procedure codes on the physician fee schedule identified below. PCMH practices may also be eligible for retrospective annualized supplemental payments for performance incentives and performance improvement. Independent physician-led Glide Path practices with five or fewer full-time equivalent practitioners across all practice locations may also be eligible for a supplemental payment at each Glide Path phase.

(a) <u>Glide Path and PCMH Rate Add-On</u>: The department will pay a rate add-on for the following procedures in addition to the amounts listed for each procedure code on the physician fee schedule: 99201. 99202, 99203, 99204. 99205, 99211, 99212, 99213, 99214, 99215, 99304, 99305, 99306, 99307. 99308. 99309, 99310. 99315. 99316. 99318, 99324. 99325, 99326, 99327, 99328, 99334, 99335. 99336, 99337, 99339, 99341, 99342, 99343, 99344, 99345, 99347, 99348, 99349, 99350, 99354. 99355. 99381, 99382, 99383, 99384, 99385, 99386, 99387, 99391, 99392, 99393, 99394, 99395. 99396, 99397, 99401, 99402, 99403, 99404, 99406, 99407, 99408, 99409, 99411, 99412, 99374, 99377, 99379, 99380, 96110, 99050, 99051, 99053, D0145,
