RE: Georgia State Plan Amendment 17-0009

Dear Ms. Rhodes:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number 17-0009. Effective for deliveries occurring on and after July 1, 2017, an additional payment per newborn delivery will increase by \$500 for hospitals in rural counties with populations less than 35,000. This increase along with the \$250 per delivery increase between July 1, 2016 and June 30, 2017 results in a total additional payment of \$750 per newborn delivery.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. We have found that the proposed reimbursement methodology complies with applicable requirements and therefore have approved them with an effective date of July 1, 2017. We are enclosing the CMS-179 and the amended approved plan pages.

If you have any questions, please call Anna Dubois at (850) 878-0916.

Sincerely,

//s//

Kristin Fan Director
