 - a. Prescribed drugs as defined in 42 CFR 440.120(a) are provided with additional limitations. (Supplement 2 to Attachment 3.1-A(12a)). (For methods and standards for payment rates see Attachment 4.19-B(12a)).
 - b. Dentures as defined in 42 CFR 440.120(b) are provided with additional limitations. (Supplement 2 to Attachment 3.1-A(12b)). (For methods and standards for payment rates see Attachment 4.19-B(12b)).
 - c. Prosthetic devices as defined in 42 CFR 440.120(c) are provided with additional limitations. (Supplement 2 to Attachment 3.1-A(12c)). (For methods and standards for payment rates see Attachment 4.19-B(12c)).
 - d. Eyeglasses as defined in 42 CFR 440.120(d) are provided with additional limitations. (Supplement 2 to Attachment 3.1-A(12d)). (For methods and standards for payment rates see Attachment 4.19-B(12d)).
13. Other diagnostic, screening, preventive, and rehabilitative services, i.e., other than those provided elsewhere in the plan.
 - a. Diagnostic services as defined in 42 CFR 440.130(a) are not provided.

State/Territory:

IOWA

- j. Two repairs only per prosthesis are covered in a 12-month period.
 - k. Adjustments to a complete or removable partial denture are covered if medically necessary after six months' post-delivery care.
 - l. Dental implants when a conventional denture cannot be used.
- G. *Treatment in a hospital. Covered only when the mental, physical, or emotional condition of the patient prevents the dentist from providing necessary care in the office.*

11. THERAPIES11.a PHYSICAL THERAPY

Physical therapy services are covered under this item only if provided by (1) a Medicare certified rehabilitation agency, in accordance with its conditions of certification or (2) a physical therapist in private practice. Physical therapy services provided by a rehabilitation agency are subject to the limitations described in Item 7d, except for children under 21 years of age for which medically necessary services are covered in accordance with the EPSDT provisions. Physical therapy services provided by a therapist in private practice are limited in amount, scope and duration under Medicare Part B as set forth in 42 CFR 410.60.

Services are covered in accordance with an active treatment plan established by the physician and provided by a licensed physical therapist within the scope of his or her practice as defined by state law and regulation referenced below. Services provided by a physical therapist include: screening, evaluation, diagnostic or trial therapy, rehabilitation, remediation and reevaluation. Services provided by a licensed physical therapist assistant must be in accordance with the established treatment plan and under the supervision of the physical therapist.

Reference: Iowa Administrative Code Part 645 (Professional Licensing) – Chapter 200 (Licensure of Physical Therapists and Physical Therapy Assistants) and Chapter 201 (Practice of Physical Therapists and Physical Therapy Assistants). Physical therapist regulations stipulate graduation from a physical therapy program accredited by an approved national accreditation agency and a passing score on the National Physical Therapy Examination or other nationally recognized equivalent examination as defined by the Board of Physical and Occupational Therapy Examiners. Physical therapy assistant regulations stipulate graduation from a physical therapy assistant program accredited by an approved national accreditation agency and a passing score on the National Physical Therapy Examination or other approved nationally recognized equivalent as set forth in 42 CFR 484.4.

11.b OCCUPATIONAL THERAPY

Occupational therapy services are covered under this item only if provided by a Medicare certified rehabilitation agency, in accordance with its conditions of certification. Occupational therapy services provided by a rehabilitation agency are subject to the limitations described in Item 7d, except for children under 21 years of age for which medically necessary services are covered in accordance with the EPSDT provisions.

Services are covered when provided by a licensed occupational therapist within the scope of his or her practice as defined by state law and regulation referenced below. Services provided by an occupational therapist include: screening, evaluation, establishing a plan of care, providing appropriate treatment, determining the appropriate portions of the treatment program to be delegated to assistive personnel, appropriately supervising assistants and patient reevaluation.

Reference: Iowa Administrative Code Part 645 (Professional Licensing) – Chapter 206 (Licensure of Occupational Therapists and Occupational Therapy Assistants) and Chapter 208 (Practice of Occupational Therapists and Occupational Therapy Assistants, which stipulate a degree in occupational therapy from an occupational therapy program accredited by the Accreditation Council for Occupational Therapy Education of the American Occupational Therapy Association and a passing score on the licensure examination for occupational therapists administered by the National Board for Certification in Occupational Therapy in compliance with 42 CFR 440.110b.

Services are covered when provided by licensed occupational therapy assistant within the scope of his or her practice as defined by state law and regulation referenced below. Covered services of an occupational therapy assistant are in accordance with the treatment plan written by the supervising occupational therapist.

Reference: Iowa Administrative Code Part 645 (Professional Licensing) – Chapter 206 (Licensure of Occupational Therapists and Occupational Therapy Assistants) and Chapter 208 (Practice of Occupational Therapists and Occupational Therapy Assistants, which stipulate graduation from an educational program approved by the Accreditation Council for Occupational Therapy Education of the American Occupational Therapy Association and passing score on the licensure examination for occupational therapy assistants) as set forth in 42 CFR 484.4.
