DEPARTMENT OF HEALTH & HUMAN SERVICES Centers for Medicare & Medicaid Services 601 East 12<sup>th</sup> Street, Suite 355 Kansas City, Missouri 64106

#### Division of Medicaid and Children's Health Operations

May 5, 2014

Charles M. Palmer, Director Department of Human Services Hoover State Office Building 1305 East Walnut, 5<sup>th</sup> Floor Des Moines, IA 50319-0119

Dear Mr. Palmer:

On December 13, 2013, the Centers for Medicare & Medicaid Services (CMS) received lowa's State Plan Amendment (SPA) transmittal #13-0026-MM1, which describes the Modified Adjusted Gross Income (MAGI) based eligibility groups in accordance with the Affordable Care Act.

SPA 13-0026-MM1 was approved on May 2, 2014, with an effective date of January 1, 2014, as requested by the state. Enclosed is a copy of the CMS-179 summary page, as well as the approved pages for incorporation into the Iowa State Plan.

The following state plan pages are approved and should be incorporated into lowa's State Plan: S14, S25, S28, S30, S33, S50, S51, S52, S53, S54, S55, S57, and S59. The MAGI based eligibility group, Individuals below 133% of the FPL, was previously approved under SPA 14-007-MM1.

If you have any questions regarding this amendment, please contact Sandra Levels or Karen Hatcher at (816) 426-5925.

Sincerely,

//s//

Leticia Barraza
Acting Associate Regional Administrator
for Medicaid and Children's Health Operations

**Enclosure**

•	der Groups - Mandatory Coverage and Other Caretaker Relatives	S25
42 CFR 435. 1902(a)(10)( 1931(b) and	(A)(i)(I)	
	and Other Caretaker Relatives - Parents and other caretaker relatives of dependent children with household income at standard established by the state.	or
<b>✓</b> The	state attests that it operates this eligibility group in accordance with the following provisions:	
	Individuals qualifying under this eligibility group must meet the following criteria:	
	Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.	en
	The state elects the following options:	
	This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.	,
	Options relating to the definition of caretaker relative (select any that apply):	
	Options relating to the definition of dependent child (select the one that applies):	
	The state elects to eliminate the requirement that a dependent child must be deprived of parental support or care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of a least one parent.	
	The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):	
	■ Have household income at or below the standard established by the state.	
	MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.	
	Income standard used for this group	
	■ Minimum income standard	
	The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 198 converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standard	
	The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard.	
	An attachment is submitted.	
	Maximum income standard	

	The state certifies that it has submitted and received approval for its converted income standard(s) for parents and other caretaker relatives to MAGI-equivalent standards and the determination of the maximum income standard to be used for parents and other caretaker relatives under this eligibility group.
	An attachment is submitted.
	The state's maximum income standard for this eligibility group is:
	The state's effective income level for section 1931 families under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
	The state's effective income level for section 1931 families under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
	The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
	The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
	Enter the amount of the maximum income standard:
	A percentage of the federal poverty level: %
	The state's AFDC payment standard in effect as of July 16, 1996, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.
	The state's AFDC payment standard in effect as of July 16, 1996, increased by no more than the percentage increase in the Consumer Price Index for urban consumers (CPI-U) since such date, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.
	The state's TANF payment standard, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.
	Other dollar amount
	Income standard chosen:
	Indicate the state's income standard used for this eligibility group:
	○ The minimum income standard
	The maximum income standard
	The state's AFDC payment standard in effect as of July 16, 1996, increased by no more than the percentage increase in the Consumer Price Index for urban consumers (CPI-U) since such date. The standard is described in S14 AFDC Income Standards.
	Another income standard in-between the minimum and maximum standards allowed
The	re is no resource test for this eligibility group.
Pre	umptive Eligibility

The state covers individuals under this group when determined presumptively eligible by a qualified entity. The state assures
it also covers individuals under the Pregnant Women (42 CFR 435.116) and/or Infants and Children under Age 19 (42 CFR
435.118) eligibility groups when determined presumptively eligible.

The state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

The maximum income standard
If not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A) (ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, ar if not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A) (ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted a MAGI-equivalent percent of FPL.
If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, ar if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, are if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI equivalent percent of FPL.
Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.
s no resource test for this eligibility group.
ptive Eligibility
e covers children when determined presumptively eligible by a qualified entity.
○ No
mptive Eligibility for Children S16
(47) 435.1101 435.1102

If the state has elected to cover Optional Targeted Low-Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the higher of the standard used for Optional Targeted Low-Income Children or the standard used for Infants and Children under 19 (42 CFR 435.118), for that child's age.

star	ne state has not elected to cover Optional Targeted Low Income Children (42 CFR 435.229), the income ndard for presumptive eligibility is the standard used under the Infants and Children under Age 19 eligibility up (42 CFR 435.118), for that child's age.
	Children under the following age may be determined presumptively eligible:
	Under age 19
	The presumptive period begins on the date the determination is made.
	The end date of the presumptive period is the earlier of:
	The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or
	The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.
	Periods of presumptive eligibility are limited as follows:
	○ No more than one period within a calendar year.
	○ No more than one period within two calendar years.
	No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.
	Other reasonable limitation:
The	e state requires that a written application be signed by the applicant, parent or representative, as appropriate.
•	Yes O No
	• The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.
	The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.
	An attachment is submitted.
	The presumptive eligibility determination is based on the following factors:
	■ Household income must not exceed the applicable income standard described above, for the child's age.
	☐ Citizenship, status as a national, or satisfactory immigration status
	The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group.

st of Qu	nalified Entities		S					
A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements, and the meets at least one of the following requirements. Select one or more of the following types of entition used to determine presumptive eligibility for this eligibility group:  Furnishes health care items or services covered under the state's approved Medicaid state plan and is eligible to receive payments under the plan  Is authorized to determine a child's eligibility to participate in a Head Start program under the Head Start Act

No income test was used (all income was disregarded) for this classification either in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.					
● Yes ○ No					
The state's maximum standard for this classification of children is no income test (all income is disregarded).					
■ Income standard chosen					
Individuals qualify under this classification under the following income standard:					
This classification does not use an income test (all income is disregarded).					
○ The minimum standard.					
Another income standard higher than the minimum income standard.					
N 187 E - 1 4 1 2 1					
Non-IV-E adoption assistance children					
■ Income standard used					
■ Minimum income standard					
The minimum income standard for this classification of children is the AFDC payment standard in effect as of July 16, 1996, not converted to MAGI-equivalent. This standard is described in S14 AFDC Income Standards.					
■ Maximum income standard					
No income test was used (all income was disregarded) for this classification either in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.					
• Yes O No					
The state's maximum standard for this classification of children is no income test (all income is disregarded).					
■ Income standard chosen					
Individuals qualify under this classification under the following income standard:					
This classification does not use an income test (all income is disregarded).					
○ The minimum standard.					
Another income standard higher than the minimum income standard.					
New reasonable classifications covered					

Transmittal Number: IA - 13-0026-MM1 Approval Date: May 2, 2104 Effective Date: January 1, 2014

If the state has not elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does <u>not</u> cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.

○ Yes • No

There is no resource test for this eligibility group.
