Dear Mr. Gregory:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 11-04. This state plan amendment establishes the program criteria and reimbursement methodology for diabetes self-management training services for federally qualified health clinics (FQHCs) in the Louisiana state plan.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for the SPA. Pursuant to section 1902(a) (73) of the Act added by section 5006(e) of the Recovery and Reinvestment Act of 2009, the State must evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 11-04 is approved with an effective date of February 21, 2011 as requested. A copy of the HCFA-179, Transmittal No. 11-04 dated March 17, 2011 is enclosed along with the approved plan pages.
