Dear Mr. Gregory:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 12-11. This state plan amendment allows the State to comply with the federal requirements of Section 6401 of the Affordable Care Act, Provider Screening and Other Enrollment Requirements under Medicare, Medicaid and CHIP. The state revised its cover letter on June 6, 2012 to detail the provisions of the law that are not being implemented at this time and when they will be implemented.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for the SPA. Pursuant to section 1902(a) (73) of the Act added by section 5006(e) of the Recovery and Reinvestment Act of 2009, the State must evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 12-11 is approved with an effective date of February 1, 2013 as requested. A copy of the HCFA-179, Transmittal No. 12-11 dated March 30, 2012 is enclosed along with the approved plan pages.
