Dear Ms. Kennedy:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number 12-16. This state plan amendment revises the implementation date of the Recovery Audit Contract (RAC) program to comply with the federal requirements under Section 6411 of the Affordable Care Act. The contractor will not be in place until September 1, 2012.

In the future, when the State submits a State Plan Amendment (SPA) that may impact Indians or Indian health providers, CMS will look for evidence of the State's tribal consultation process for the SPA. Pursuant to section 1902(a) (73) of the Act added by section 5006(e) of the Recovery and Reinvestment Act of 2009, the State must evidence to CMS regarding the solicitation of advice prior to submission of the SPA. This consultation must include all federally recognized tribes, Indian Health Service and Urban Indian Organizations within the state.

Transmittal Number 12-16 is approved with an effective date of September 1, 2012 as requested. A copy of the HCFA-179, Transmittal No. 12-16 dated June 19, 2012 is enclosed along with the approved plan pages.
