RE: Louisiana 12-45

Dear Ms. Kennedy:

We have reviewed the proposed amendment to Attachment 4.19-D of your Medicaid State plan submitted under transmittal number (TN) 12-45. Effective for the dates of service on or after July 1, 2012, per diem rates paid to non-state intermediate care facilities for persons with developmental disabilities (ICFs/DD) shall be reduced by 1.5 percent of the per diem rates on file as of June 30, 2012.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. As part of the review process the State was asked to provide information regarding access to care issues and the funding of the State share of expenditures under Attachment 4.19-D.

Based upon your assurances, Medicaid State plan amendment 12-45 is approved effective July 1, 2012. We are enclosing the HCFA-179 and the amended plan page.

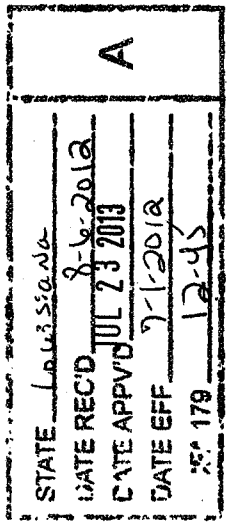
4. Rebasing

Rebasing of rates will occur at least every three years utilizing the most recent audited and/or desk reviewed cost reports.

5. Requests for Supplemental Services

a. Requests for pervasive plus rate supplement must be reviewed and approved by the DHH ICAP Review Committee. A facility requesting a pervasive plus rate supplement shall bear the burden of proof in establishing the facts and circumstances necessary to support the supplement in a format and with supporting documentation specified by the DHH ICAP Review Committee.



The ICAP Review Committee shall make a determination of the most appropriate staff required to provide requested supplemental services.

The amount of the pervasive plus supplement shall be calculated using the Louisiana Civil Service pay grid for the appropriate position as determined by the ICAP Review Committee and shall be the 25th percentile salary level plus 20 percent for related benefits times the number of hours approved.

Other Client Specific Adjustments to the Rate

A facility may request a client specific rate supplement for reimbursement of the costs for enteral nutrition, ostomy, tracheotomy medical supplies or a vagus nerve stimulator. The provider must submit sufficient medical supportive documentation to the ICAP Review Committee to establish medical need for enteral nutrition, ostomy or tracheotomy medical supplies.

The amount of reimbursement determined by the ICAP Review Committee shall be based on the average daily cost for the provision of the medical supplies. The provider must submit annual documentation to support the need for the adjustment to the rate.

Sufficient medical supportive documentation must be submitted to the Prior Authorization Unit to establish medical necessity. The amount of reimbursement shall be the established fee on the Medicaid Fee Schedule for medical equipment and supplies.
