Dear Ms. Steele:

We have reviewed the State's proposed amendment to the Louisiana State Plan submitted under Transmittal Number 16-0012 dated May 4, 2016. This state plan amendment establishes provisions to use the Supplemental Nutritional Assistance Program (SNAP) option for the streamlined enrollment of SNAP recipients who meet the eligibility requirements for the new adult group under Medicaid expansion as authorized under the provisions of the Affordable Care Act.

Based on the information submitted, we have approved the amendment for incorporation into the official Louisiana State Plan with an effective date change of July 1, 2016. A copy of the CMS-179 and approved plan pages are enclosed with this letter.

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
STATE OF LOUISIANA

SECTION 2- COVERAGE AND ELIGIBILITY

2.1 Application, Determination of Eligibility and Furnishing Medicaid (continued)

X (f) Using the Income Determination from another Means-Tested Public Benefit Program to Support Medicaid Determinations

(1) **The state elects the option to use income determined by the following means-tested public benefits program(s) to support Medicaid eligibility determinations:**

- SNAP
- TANF
- Other Means-Tested Program: _____

In electing this option, the state assures that it:

- (a) Verifies citizenship and non-citizen status consistent with Medicaid statutory and regulatory requirements in Section 1137 of the Social Security Act, 42 CFR 435.406, and 435.407.
- (b) Complies with Medicaid reporting requirements with respect to participants enrolled through this strategy.
- (c) Provides applicants with program information required under 42 CFR 435.905, such as information about available services and the rights and responsibilities of applicants and beneficiaries.
- (d) Has procedures to ensure that eligible individuals are enrolled in the appropriate Medicaid eligibility group. Description:

For initial automated use of the option, appropriate filters are being applied to the full file of Louisiana SNAP households as of March 31, 2016, to identify and target New Adults exclusively, using Relationship codes (which identify parents of minor children) and SNAP gross income.

As part of the ongoing intake process, applicants who receive SNAP benefits will be assessed to determine if they meet all criteria for using the SNAP income determination to support Medicaid eligibility. If yes, persons applying will be certified in the appropriate eligibility group (Medicaid Case Type) using progression of eligibility:

Child Under Age 19 and Under 138% FPL
 Parent/Caretaker Relative 19% FPL and Below
 Pregnant Woman Under 138% FPL
